This and That About Women  
Edited by Ruth King

## "It's A Woman's World"

**THE BLUEBIRD OF HAPPINESS** was perching on the shoulder of pretty Gertrude Vallejos, just arrived from her home in Manila when the staff photographer caught her in his lens this week. She had just arrived by air for a short visit with her brothers, Tony, long-time employe of the Willard hotel and Ariston Vallejos.

It is with their cooperation that she will continue her studies in home economics at the University of Idaho in preparation for her return to her homeland and her teaching profession.

Gertrude is a graduate of the Philippine Women's College, has her Bachelor's Degree in home economics. She taught for 10 years prior to World War II and from 1947 to 1950 following the liberation of the Philippines, was a nutritionist with the U.S. Public Health Service, visiting by air, families in far distant parts of the Islands, teaching health and sanitation.

She arrived in time to see a new snow fall for the first time in her life . . . was astonished at the graciousness of the folks she was meeting in America . . .

Her trip across was sparked with the companionship of other young women from Manila, flying to join service-men husbands here . . . it left her with pleasant memories of feminine chit-chat.

Two years from now she will be flying back home with a fund of new-found information and we hope, a bond of friendship—her land and ours—that will last forever.

### FROM MY HEART

Hilda Butler Farr  
Among the lovely Valentines  
You are the loveliest, my dear,  
You hold my heart within your hand  
And always will, I fear.  
Your winning smile has changed  
my world  
And touched each day with something new.  
So many loves supplanting mine,  
You are the light of all my life . . .  
A precious dream come true.  
As years move on no doubt there'll be  
So many loves supplanting mine,  
But always you'll remain, dear heart,  
Your mother's Valentine.

# Whitehouse Cherry ICE CREAM

We hope there's enough of this "February Favorite" to go 'round this year! Seems like everybody likes our Whitehouse Cherry Ice Cream. Maybe it's the bright red cherries smothered in the rich, nourishing ice cream. Or maybe it's because Medo-Land Ice Cream is smoother, creamier than any other. Anyway . . . Whitehouse Cherry is a party dessert ice cream that is easy to serve and always calls for a "second helping." Hurry and try it!
