

SLIDE DERAILS TRAIN — When a Western Pacific freight train plowed into a rock slide in the Feather River canyon near Virgilia, Calif., several cars were derailed and the three-unit diesel locomotive stopped at the water's edge. No one was injured.

MODEL UNCOVERED — Secretary of the Army Frank Pace (left) and Sen. Joseph C. O'Mahoney (D-Wyo.) discuss a model of a new anti-aircraft gun after uncovering it in the senate office building. The gun was one of several secret weapons models taken to the building to be viewed by senators studying the armed services budget. The models were shrouded in white cloth and guarded by military police. No details were released about the anti-aircraft weapon.

Eagles Plan Orphan Party

The only Klamath Falls "war orphan" to come under the Fraternal Order of Eagles Memorial Foundation, which cares for widows and children of World War II veterans killed in action, will get a birthday party Saturday afternoon at the FOE lodge. Seven year-old Walter Ambrogetti and his classmates at the Mills second grade will be feted by the local Eagles and Auxiliary under the Foundation plan. Walter is the son of Mrs. Ed Ybarra. His father, Walter Ambrogetti Sr., was killed in action while flying over England as a tall gunner on Sept. 17, 1945. The Eagles of the United States

take care of 1360 war orphans in this country. Young Walter is the only one from Klamath county. He has a two-year-old sister, Jeanne Ybarra.
