

New Atomic Weapons' Test Set for Pacific

WASHINGTON (AP)—The Defense Department announced Monday that preparations for new atomic tests are under way in the Pacific.

The brief announcement gave no hint as to the nature of the tests. They will be conducted at Eniwetok, remote Pacific atoll, by a joint team of experts from the Army, Navy, Air Force and Atomic Energy Commission.

While there was no official information, the fact that Eniwetok was selected for the tests suggests that they involve some weapon either too powerful for testing at the Yucca Flats Range in Nevada, or of particular concern to naval warfare.

VARIETY
A variety of atomic weapons was tested last fall at Yucca Flats, among them possibly a "baby bomb."

The Eniwetok testing site was last used in the spring of 1951. Following those tests, it was announced that atomic experts had

Junior class is working hard on their vaudeville show which is slated for presentation to the student body Thursday morning.

The show will include a variety of fine acts, both serious and comedy. Clayton Hannon, junior class president, remarks, "Our program never before seen by the students."

Miss Roberta Blomquist, dramatics coach, has taken the junior program into her capable hands; therefore all the acts should be special ones.

Students participating in the show are: Nancy Antler, Marilyn Benson, Sue Bevans, Bob Borgman, Ann Broyles, Roger Davis, Dick Dewey, Bob Flora, Bob Franck, Clayton Hannon, George Hanson, Ronnie Hersberger, Joan Hickman, Denise Kenyon, Raymond Kuld, Billie Kinsey, Stan Kuhlman, Jana Langslet, Pat Lehto, Dick Lundsten, Dale Luttrell, Jerry Madden, Marilyn Miller, Jean Milton, Pat Mueller, Dianne Oldenberg, Gerald Olsen, Kay Petersen, Jack Powell, John Shaw, Boyd Sprague, Gene St. John, Brent Colten, Sally Robitelli, Mike Wood, Patsy Young and Wall Zumwalt.

Admission will be 15 cents; the proceeds of which go to the junior-senior prom.

These students will also put on the program for the Parents and Patrons club Thursday evening.

The profits from the show will be given to the Parents' club for their senior banquet fund.

Insurance Men's Strike Settled
PORTLAND (AP)—Portland Prudential Insurance agents, who have been on strike for 80 days, probably will return to work Wednesday.

Lawrence J. Ullberg, Portland, said the striking agents voted 22 to 5 Monday to accept a proposed settlement of their strike.

Ullberg, who was a negotiator of the settlement, said the new contract calls for a 45.36 weekly wage increase and a \$159 lump sum payment to employees.

"Illegal Entry" is this week's noon movie. The story concerns a smuggling ring. The noon recreation committee, headed by Forrest Rutledge, has received many of the new, popular records. Students are invited to listen to them or dance to them in the girls' gym during the noon hour.

gained "much useful" information toward creation of a hydrogen bomb.

Some atomic experts have estimated that a hydrogen bomb might be 1,000 times more powerful than the A-bombs dropped on Japan during World War II.

Monday's announcement coincided with word released in London that Britain expects to test an atomic weapon — her first — this year. The weapon was described as new. The tests probably will be in September or October in Australia.

The Eniwetok tests presumably will be much sooner, but defense officials said they could not give any information at this time that would point to the exact date or dates of the tests.

They indicated that preparations for the new series are well advanced but that the actual movement of the various service and operational groups that will take part in the test series has not begun.

The test force has been designated as Joint Task Force 132. It will be directed by Maj. Gen. Percy W. Clarkson, deputy commander of Army Forces in the Pacific.

E. V. Brandt, a chiropractor, who at first pleaded guilty to a manslaughter by abortion charge but who has withdrawn the plea and now is awaiting trial.

Ousted Couple Offered Home

SAN FRANCISCO (AP)—A Salem, Ore., woman, Mrs. Pearl McDeey, has offered a Chinese couple a free lot in Salem to build their home.

The Chinese couple, Mr. and Mrs. Sing Sheng attracted wide spread attention Saturday when they were voted out of an all-white neighborhood.

Sheng suggested the building, which is not legally binding, after some neighbors asked him to move because his residence in the community might lower real estate values.

The vote was 174-28 against him. Sheng did not say whether he would accept the Salem offer, or any of the others that he has received.
