WASHINGTON (A)—Oscar R. Ewing head of the Federal Security Agency, told Congress Friday both he and President Truman are "unequivocally... opposed to socialized medicine."

Ewing made the statement in testifying before a House expenditure subcommittee which is studying a bill to create a new Department of Health.

The FSA director said he is agains setting up a health department.

Instead, he suggested elevating the FSA, which he heads, to Cab-inet rank.

# Car Kills KF Woman

A Klamath Falls woman, Mrs. A Klamath Falls woman, Mrs. Ed (Florence) Poppe, about 40 years old, of 1030 Kane St. was killed in a two-car, hit and run accident, Priday afternoon 43 miles east of Lovelock, Nev., on U. S. Highway 40, according to information received here.

Mrs. Poppe was returning with her husband to Klamath Falls from Cheyenne, Wyo., when the accident occurred, Sheriff A. C. Seeban of Lovelock said the woman died within 15 minutes of the accident from severe chest injuries.

strom is minutes of the accident from severe chest injuries.

Sheriff Seeban said Walter H. Peterson, 29, of Duluth, Minn., is being held in the County Jail at Lovelock, pending filing of charges from the accident.

Peterson was caught in a road-block set by sheriff's deputies and Lovelock City Police after he left the accident scene.

Seeban said Peterson apparently lost control of his car in coming up behind the Poppe vehicle, went in a borrow pit and smashed into the right side of Poppe's car in coming out of the ditch.

Poppe's car was pushed across the highway and rolled over once in the opposite borrow pit. Mrs. Poppe was thrown clear of the car.

Poppe received only minor hurts.

# **Bureau Power** Slash Asked

WASHINGTON & — The Pacific Gas & Electric Co. of San Francisco has asked Congress to whittle the Reclamation Bureau budget for power facilities in California.

Company President James B. Black told the House Appropriations Committee in testimony made public Saturday that several items in the Central Velley Project construction program would violate the spirit of "wheeling" contracts for the transmission of government power over company lines.

He said the bureau is planning to purchase 115 kilovolt switchgear

# **Funds Asked**

WASHINGTON & Two Pacific Northwest members of Congress have urged the House Appropriations Committee to include 10 million dollars in the appropriation bill for Army civil functions for flood control projects on the Lower Columbia River.

The request was made at a closed hearing by Rep, Mack (R-Wash.) and Angell (R-Ore..). The bill will provide funds for the year beginning July 1.

The Congressmen said a 10 mil-

lion appropriation would permit start on the \$22,295,000 Lower Co-lumbia flood control program au-thorized by Congress in 1950. thorized by Congress in 1950.

The overall project envisions river bank protective work along both sides of the Columbia and on the Willamette, and dyking projects at Washougal, Vancouver, Kelso, Longview, Kalama, Woodland, Ridgefield and Puget Island.
