Feed Grain Still On Price Surge

CHICAGO M — Feed grains rolled higher for the fifth straight session on the board of trade Saturday. It took them a little while to get going, but once they started they rung up gains extending to more than a cent.

The buying in feed grains helped other cereals. Wheat moved ahead fractionally, Italy bought a cargo of Durum wheat overnight. There was some rather urgent short-covers' foreign markets—thus states 31.

Under the program the department pays export subsidies equal to half the sales price up to \$1.25 a box. It reported export during the past 12 months of 2,600,000 boxes at a cost of about \$3,330,000.

CHICAGO P — Hogs were queted within a \$15.75 to \$17.50 range here Saturday. It was another week in which the hog market could make no progress on the up side. Cattle and sheep were quoted nominally steady. **Bids Opened On** Willamette Job

Hog prices gained early in the week as receipts were curtailed, partly because of icy road conditions, but these gains were eventually wiped out. Offerings weighing less than 230 pounds fared worst as Eastern packers obtained light weight logs in Ohio.

In the cattle section, high choice and prime steers advanced 25 to 50 cents, but the rest of the market was an erratic afair, Receipts were cut 10 per cent from the previous week, In the wholesale beef market, quotations on grades from commercial to choice were marked down. Top price for prime steers was \$39.50, equalling the year's high.

While lambs scaling less than 108 pounds lost ground this week, those carrying a heavier weight gained 25 to 50 cents. The extreme top on fed wooled lambs was \$27.25, paid by small killers. PORTLAND # — Excavating to end slide threats on the Southern Pacific's relocated tracks 10 miles northwest of Oakridge, brought bids Friday ranging all the way from \$84,375 to \$213,750.

The Corps of Engineers reporting the bids, said apparent low offer was that of Henry H. Miller, Ed H. Miller and Lee Mortenson, Inc., of Roseburg.

The government estimate was \$90,750. There was one other bid under \$100,000 and three over that sum.
