

# Fashion Show To Highlight Merchant's Spring Opening

The fashion show for Friday's Spring Opening went through dress rehearsal last night at the Armory, and all was pronounced in readiness for "the biggest event yet" by Bob Fredrickson, chairman.

The fashion show will be the highlight of the Klamath Merchants Association's Spring Opening. At least 50 models will show "Everything New for '52" starting promptly at 8:00.

Klamath Falls florists — Mack's Klamath Flower Shop, Kohn's Klamath Flower Shop and Suburban Flower Shop — have provided a surprise gift for Klamath's feminine side. When the doors open at 6:00 Friday night KUHS girls will start pinning orchids on each woman. The florists have ordered 1,000 orchids, and they will be passed out as long as they last.

The new appliances and musical instruments will be in one mass display around the sides of the main Armory floor.

The 50-voice KUHS girls glee club will open the program. Other features interspersed with the showing of new men's, women's and children's fashions will include a ballet dance number by the Isa Dorah Moldovan studio, bathing beauty events, surprise numbers, and organ music from the L. R. Mann Piano Company.

A big improvement this year, Fredrickson said, will be providing seats on the main floor on each side of the fashion show ramp, in addition to the full seating capacity of the balconies.

The admission charge is 60 cents per person, including tax. All net proceeds will go to youth activities. KUHS students will assist throughout the evening. Boy and Girl Scouts will handle the concessions. Spring opening officially will get under way Thursday evening, when "all that's new for '52" is unveiled in downtown windows.

Industrial, automotive and farm equipment displays will take over the roped off streets on Seventh and Eighth between Klamath and Pine on Friday afternoon.

# Sabres Score Air Victory

SEOUL, Korea (AP) — American Sabre jet pilots shot down four more Red jets Wednesday, for a total of 15 destroyed in three days.

Eleven other Russian type MIG-15 jets were damaged in the three days, the U.S. Fifth Air Force reported. American losses, if any, are announced weekly.

Four MIGs were destroyed and two damaged in a seven-minute battle Wednesday morning over Northwest Korea between 20 F-86 Sabres and 17 Reds.

The Reds did not show in the afternoon.

The Wednesday morning air battle streaked from Pyongyang, the Red capital, to Sinuiju on the Manchurian border.

Maj. Felix A. Anla, Jr. 651 East 13th St., Eugene, Ore., was credited with one shot down and one damaged. They were his first.

Air battles overshadowed ground action for the third successive day. The U.S. Eighth Army reported the only infantry action was in mountains of the Eastern Front.

In the early morning Reds fired rifles from long range at the U.S. 25th Division for ten minutes and at the Turkish Brigade for 15 minutes.

# Landlord Loses Out To Tenant In Heat Battle

NEW YORK (AP) — The cold war between Tenant Melvin A. Carter and Landlord Clarence Cadogan has been settled.

Carter won by attaching a thermostat in his fourth-floor Brooklyn apartment to a record player with a loudspeaker tuned down a dumbwaiter shaft.

It was fixed so that every time the heat dropped below 65 degrees the following recording blared down the shaft to Cadogan's apartment.

Mr. Cadogan: Under section 225 of the Sanitary Code, a landlord who does not provide 65 degree heat when the outside temperature falls below 65 degrees is liable to a \$500 fine or a year in jail. The temperature in this apartment is now below 65 degrees.

Tuesday Cadogan told Magistrate Paul Balsam that the recording "is driving me crazy."

Carter said there would be no noise if there was heat. It was Carter's complaint that brought the landlord into court on a charge of providing insufficient heat.

The landlord promised to abide by the Magistrate's order that there be heat.

# LOSES OUT

SOUTHBIDGE, Mass. (AP) — President Truman not only lost in the New Hampshire primary but also lost out in this Central Massachusetts town.

Voters at the annual town meeting Tuesday night changed the name of Truman Avenue to Langlois Avenue.

# This Burglar Had a Rough Time

PEORIA, Ill. (AP) — Things just didn't go right for the burglar who smashed a window to gain entry to the Rossiter Motor Co.

Police investigated Monday and said evidence indicated the burglar crawled through a window and stepped into a pan of crankcase oil. Then, the cops decided, he slipped and fell into the pan and set off a fire extinguisher which, presumably, sprayed him with foam.

No money was missing.

# Purse And Pants Snatchers Busy

PORTLAND (AP) — A burglar is going around stealing Portlanders' purses. That's on the east side of the river. Over on the west side, the menace is a purse-snatcher.

Police Tuesday reported that at least five homes had been entered and purses stolen. One householder saw the intruder make off with his pants and as the man fled, the wallet dropped to the grass.

The west side purse-snatcher has been at work for several nights.
