Profit Taking Cuts Grain Price

CHICAGO (AP) — Most grains eased on the board today Monday, partly because of profit-taking after the advance of the past few weeks.

The market opened on a buying burst with prices substantially higher. Follow through demand failed to develop and prices quickly eased.

Feed grains, which have enjoyed the best advance in recent weeks, encountered the most profit-taking.

Wheat was quite firm, particularly the old crop deliveries, and soybeans showed flashes of strength.

Wheat closed 1/2 cent higher, March \$2.57 1/2, corn 1/2 cent lower to 1 1/2 cent lower to 3/4 higher, March 91 1/4, rye 1/2 cent lower to 1/4 higher, March \$2.09 1/2, soybeans 1/2 cent lower to 1/4 higher, March \$3.03, and hard 2 to 18 cents a hundred pounds lower, March \$124.

NEW YORK (AP) — The stock market gained a little strength Monday from a demand for neglected oil stocks but otherwise it was a pretty even mixture of gains and losses.

Some of the leading oil issues were ahead around a point but for the most part prices were a fraction either way.

There were a substantial number of declines in the list and price changes either way were mostly in fractions.

Trading for the session was around 1,100,000 shares.

Stops Laxatives

regains youthful regularity

"For thirty years, I took so many kinds of pills and laxatives to relieve constipation. Since I started eating ALL-BRAN every day, those troubles are over," says busy Bethany, Mo., woman. If you, too, suffer from irregularity due to lack of dietary bulk, try toasty ALL-BRAN. It's helped thousands to regain youthful regularity. Rich in iron, high in cereal protein, provides essential B and D vitamins. Not habit-forming. It's the only type ready-to-eat cereal that supplies all the bulk you may need. Eat 1/2 cup every day; drink plenty of liquids. If you're not completely satisfied after 10 days, send empty carton to Kellogg's, Battle Creek, Mich., and get DOUBLE YOUR MONEY BACK!

High Wire Artist Dies

PARIS (AP) — Death caught up with the "death defying" Weyland as he performed his act at a suburban circus Sunday night. Just before entering the ring, 47-year-old Raymond Weyland told his wife, "I don't know why, but for the first time in years I've got stage fright tonight."

As the drums gave a roll for their last act, a pole suddenly cracked.

While I'm at it, I'd like to add that in this year of decision the Republican convention won't be through even if it picks a candidate in the next few days.

If I were writing the Republican platform I'd write a REALISTIC one—one that recognizes the dangers we face as a nation. If I'd spread no molasses to catch flies, I'd use no weasel words. I'd state facts.

Then, when I'd covered the details, I'd add this statement: "We can promise you only blood, sweat and tears for the immediate future. WITH NATIONAL SOLIDARITY AND PERPETUATION OF THE AMERICAN WAY OF LIFE AS THE ULTIMATE REWARD FOR THE SACRIFICES WE SHALL CALL UPON YOU TO MAKE."

That would be a grim platform. But these are grim times. If the Republican party wins the election next November and then has nothing better to offer than a new and fancier and more glittering wand to wave, its administration will fall and the result will be a backwash of disillusionment that will sweep us into complete socialism.

Man Rescued From River

ROSEBURG (AP) — Wet, chilled, but rescued, Dr. B. A. Smith Sunday by gratitude joined the Roseburg Rod and Gun Club. It was three club members who pulled him from a rock in mid-stream on the North Umpqua.

Dr. Smith, local chiropractor, put out Sunday afternoon in his outboard boat from Winchester, north of here. His motor failed and he had no oars. The boat was carried toward swift, turbulent water and he grabbed at overhanging brush. That capped his boat and he swam downstream to a rock some 200 yards away.

That offered only a slippery haven and when the rescuers, called by the Rod and Gun Club by an unidentified fisherman, reached him in a hastily manned boat, his grip was weakening. The rescuers were Carl Christensen, Kenneth Gilkeson and Leonard Zacher.

Dr. Smith was unharmed.

Truck Tax Group Files

SALEM (AP) — A new organization to support the increased truck tax filed articles of incorporation Monday.

It is called Transport Information, Inc., with headquarters in Eugene. The new truck tax, providing an increase of about 26 per cent, will be on the November ballot. It was passed by the 1951 legislature, but the truckers, who bitterly oppose it, got it referred to the people.

Incorporators are J. H. Gilbert, Calvin Crimbaker, H. S. Merriam and Larry P. Watson.

Oregon Feeding Company, a \$100,000 Ontario firm, also incorporated Monday. The incorporators are G. A. and Ruby V. Masterson, and Glenn E. Call.

Air Force To Cut PIO List

WASHINGTON (AP) — The Air Force disclosed Monday it is cutting its public relations staff at the Pentagon 65 per cent.

Air Secretary Finletter said, in ordering the action, that "the civilian secretaries should assume more responsibility for representing the department to the public instead of leaving the job to a large public relations staff."

Newspaper Gets Threat

NEW YORK (AP) — A newspaper, the Brooklyn Eagle, was threatened with bombing Monday unless it took down signs on its trucks reading "get the killer" of Arnold Schuster, who led police to bank robber Willie Sutton.

A man telephoned the Eagle office and, referring to the signs on the daily paper's circulation trucks, said: "You had better get those things off of there or the place will be blown up."

A police search of the building revealed nothing. The Eagle has offered a \$1,000 reward for the apprehension of Schuster's slayer.
