The Winger's arrival here sometime ago, in a way was not so pleasant. The night was a howling blizzard when Ashton got a telephone call. The crux of the message was that Winger was coming in from Washington where he and his wife had been visiting. The sad news has come—just as month and one day from the time the attending physician in the man the three days to six months to live, little Monte Means died last Friday evening at 518 o'clock at the same thouse the same that the same the

shis extenuated, snowbound winter season.

A bit of comedy that wasn't so funny at the time, crept into the scene. One man riding home with a co-worker—slowly and inboriously they had plowed their tense and doubtful way up this formidable guiley of snow.

When the fury of the wind slackened momentarily, they could see the end momentarily, they could see the end where the lane opened onto the highway. Their spirits rose but sank just as suddenly when a car pulled off the highway and turned toward them—down the road of no return!

"Look at that fool", the man said, as the two watched the car come on a ways and stop—apparently seeing the way was impassable. A pickup pulled in behind it and got stuck. Drifting snow was gradually burying the cars that had stopped, while the co-workers came to a halt in front of the first car. The man's mouth dropped open when he saw it was beginned. Bluff. Details were not disclosed but in discussing the matter with his sister. Mrs. Mary Miller, she said her brother had been in poor health for some time and that it was his heart that had been causing him trouble for several years. Services were to have been held in Red Bluff this morning Tuesday, March 11. at 10 a.m. Interment was to have been made at McArthur. Calif., at 3 p.m. the same day. same day.

A regular meeting of the Kelly
Creek PTA was held at the schoolhouse last Thursday evening. Well

came to a hall in front of the first car. The man's mouth dropped open when he saw it was his wife! Worried—she had come to see what was detaining her husband but, evidently she had done the wrong thing.

The weather was bitter cold and the driving snow bit deep into the skin but that greeting was red hot. Now the lane was plugged and it took an hour of frantic diggling and pushing to get the worker's car by and out on to the highway. The lady and her husband couldn't turn around so they had to go on down toward Willow Ranch to find a way to turn around and try to come back. But they came upon a sedan that had been abandoned cross-wise in the narrow road—so they abandoned their own car and spent the night at the Gordon Harris Ranch home. What a night!

But its an ill wind that blows no good. Due to impaired travel the State Line Motel filled up right now and people seeking shelter from the storm had to be turned away. For down on sugar hill three cattle trucking rigs and nine or ten cars were stalled in the ever-deepening, drifting, snow across the highway—most of whom spent the night there. Lee Perry was in one of the cars and it was anything but comfortable, he said. Fluhrer's Bread truck was tied up for three hours early Saturday morning on Sugar Hill and the than regular at that because they had an election of officers. Mrs. Eleanor Nidiver was elected the new president; Mrs. Vivian St. Clair, vice-pres.; Mrs. Beth Ayoutt secretary and Mrs. Irene Riggs, treasurer. The installation of officers will be the first meeting in May.

Mr. Lee Hansen, County 4-H lead er. gave a short talk on 4-H work with an eye looking over the prospect of leader material in this community. A movie entitled "Snow

In fighting and bucking the heavy snow, an engine had gotten off the track, it was reported.

Here's hoping the stormy elements subside by this coming Saturday night, March 22, when the New Pine Creek firemen hold their first Big Annual Ball—a gala event for which they have been planning

first Big Annual Ball—a gala event for which they have been planning and selling tickets for the past three weeks.

The event will be held in the Grange Hall and the firemen and their wives are working out all the details to accomodate a big crowd. Bart Scrivner, chairmen of the music committee, has secured an orchestra, new and as yet unnamed which will play its initial dance as a group. Everybody will want to come out and hear them and give them a chance to make good.

want to come out and near them and give them a chance to make good.

Ray Beeber came through gloriously for this public benefit in his usual generous and free-hearted manner. He donated a gallon of sliced dill pickles and two cases of potato chips. He said Nalley's Incorporated, the company for whom he works is slways glad to donate something useful for a good worthy cause. Nalley's through Beeber, has made donations for Grange benefits in the past and the committees in charge and the community in general has always appreciated these kind gestures.

This Saturday night then—March 22—we'll be seein' yeh!
