Stock Prices Split Gain, Loss

NEW YORK (AP) — Prices were a pretty even mixture of gains and losses on the stock market Monday in one of the quietest sessions in three weeks.

Most price changes were in fractions and the narrow, mixed tendencies extended through the entire list.

The volume ran around 1,000,000 shares.

Grains Suffer Drop In Prices

CHICAGO (AP) — Grains eased in a slow trade on the board of trade Monday.

Weakness cropped up first in soybeans and then spread to other sections of the market. Toward the close, a slight rally set in, reducing losses.

The slump carried July, September and December wheat to within a cent of the year's lows recorded on Feb. 27.

While selling pressure was not heavy in the broad cereal, commercial and investment demand were very limited. No export sales were confirmed.

Wheat closed 3/4 to 1 cent lower, May \$2.51 1/4-1/2, corn 1 to 1 1/2 lower, May \$1.85 3/4-1/2, oats 1/2-1/4 lower, May 86 1/4-1/2, rye 2 1/2 lower to 2 1/2 higher, May \$2.01, soybeans 1-1/2 to 2 1/2 lower, May \$2.93-94, and hard 25 cents lower to 5 cents higher, May \$12.65.

Tornado Aid To Be Given

With less than half its \$25,000 goal reached and only a week of the annual drive remaining, Klamath County's Red Cross chapter today said it would broaden its appeal to raise the \$1,520 for another \$1,520 burden.

In a telegram to Chapter Chairman Robert Mitchell yesterday, American Red Cross Pres. E. Roland Harriman asked the Klamath chapter to raise the \$1,520 for emergency relief in the Arkansas, Mississippi, Missouri and Tennessee tornado areas.

This "overwhelming disaster," said Harriman will cost the Red Cross workers about \$1,520 for emergency relief in the Arkansas, Mississippi, Missouri and Tennessee tornado areas.

The tornadoes, with a death toll now over 200, have left thousands homeless. Harriman said the Red Cross had sent hundreds of Red Cross workers into the stricken areas with emergency supplies including portable generators and water filtering plants.

Third Child Survives Snow Storm

by a strong wind, dumped nearly 12 inches of new snow on this Northwestern Wisconsin region. Drifts up to four feet deep are hampering the searching parties, which Sheriff Joseph Ford said numbered 700 men Monday morning.

Ford said volunteers combed a circular area four miles wide over the weekend and would broaden their search during the day. Hope was fading that the youngster would be found alive, as the temperature dipped into the low 20s overnight.

The children are Cathy Church, 5; her sister, Mary Ann, 3, and their cousin, Steven Kennedy, 5. A shred of red wool, believed to be from the tassel of a cap, was the lone clue in the direction the trio had taken after leaving the Church home.

The bit of tassel which Mrs. Arnold Church said was from Mary Ann's cap, was found on a bridge over the south branch of the Oconto River, eight-tenths of a mile from the Church home. One bloodhound ran along the bank of the narrow and shallow creek, which has some open water but searchers could find nothing else.

Stains on the church mailbox, which appear to be blood, raised a theory that the children may have been struck by a motorist who carried them away in his auto to conceal the accident. The mailbox was sent to Oconto for analysis of the spots.

The search has covered a mile radius from the homes of Mr. and Mrs. Church on Mr. and Mrs. George Phillips, which face each other across Highway 32. Mr. Phillips is Steven Kennedy's mother.

Mrs. Church said the children went outside about 3 p.m. Saturday. They frequently teased after a semi-tame porcupine which lived on the edge of the woods, she said. When they weren't back in 10 minutes, Mrs. Church began looking for them. The alarmed parents were aided by about 50 friends and neighbors Saturday.
