Ill—Mrs. Karl Gentry, Tulelake, is in Klamath Valley Hospital for observation.

Barkley Wins Bronze Star

Marine Corps Cpl. LeRoy Barkley, husband of Sally Ann Barkley, Chiloquin, has won the Bronze Star medal on the Korean front.

The medal was awarded by Maj. Gen. G. C. Thomas with the following citation: For heroic achievement in connection with operations against the enemy while serving with a Marine rifle company in Korea on March 2, 1951. Cpl. Barkley displayed great skill and courage in the performance of his duties as a machine gun squad leader. During the assault on Hill 469 near Hongsong, the leading elements of the company were pinned down by intense enemy fire in such a position that they masked the fire of his gun. On his own initiative, he led the men of his squad through the heavy fire, and reaching the obstructing emplacement, hurled a number of well-placed grenades which killed or wounded all the occupants and silenced their fire. Then, moving his gun into the seized position, he directed effective and accurate fire against the fleeing enemy, inflicting heavy casualties. Corporal Barkley's courageous actions were an inspiration to all who observed him, and were in keeping with the highest traditions of the United States Naval Service.

ASHLAND (AP)—Martha Shull, Portland teacher, is to be the keynote speaker at a conference of young women, to be held in Ashland Saturday. Two hundred high school girls from Southern Oregon and Northern California are expected. The event is being sponsored by the American Association of University Women.

Play beautiful organ music at once!

you needn't know a note!

The HAMMOND Chord Organ

Here is the revolutionary new instrument everyone is talking about. Scores of local families are buying chord organs. Folks who never before played a note are enjoying a thrilling adventure into self created music.

And experience shows that chord organ becomes nearer and dearer as months go by, proficiency increases and owners come to appreciate its infinite possibilities.

A chord organ, privately placed in the store is yours to experiment with. Come in and try it.

Reappraisal Move Started

LAKEVIEW—A move toward reappraisal of all property in Lake County, looking to equalization of property assessment and tax levy has been made by the county court in the decision to hold a special tax election concurrent with the May 16 primary to finance the county's share of the reappraisal program, said County Judge J. R. Heckman and County Assessor G. H. Langsdet.

The election will ask the voters for approval of a three-year serial levy of one mill per year to raise the county's share. Cost of the reappraisal has been estimated by the state Tax Commission at \$91,400, of which the state and county would each pay half with the state tax commission to furnish the reappraisal personnel Lake County's share of the cost would be about \$45,000 over a three-year period.

Post Office Business Up

LAKEVIEW—The Lakeview post office may achieve first class status this year as the result of stamp and postage sales during 1951 reaching \$40,205.94, it was announced this week by Postmaster Fred Peat.

Gross receipts of \$40,000 is the minimum required for postoffices being placed in first class status, but the local figure must be figured and approved by the postoffice department before it will be definitely known whether the new status was reached.

If the postoffice is approved for first class status, Peat said, it will be effective July 1 and change will entitle this postoffice to one new position and possibly two. The new position would be that of assistant postmaster, and the possible second position would be superintendent of the mails. The latter would depend upon recommendation of the post office inspector.

The \$40,205.94, in stamp and postage receipts at this postoffice during 1951 represents an increase of \$1,250.96 over 1950.

Boysville, Project Of Footprinters, To Be In Operation Within A Year

The first unit of Boysville—a project of International Footprinters Association (fraternal organization of law officers and civilians in the United States and Canada) will be in operation within a year.

E. S. Morrison, IFA grand chapter president and lieutenant of the Tacoma Wash., police department, relayed that information to a dinner meeting of Klamath Falls IFA Chapter 14 at the Pelican Cafe last night.

Morrison said the first unit would be located within 200 miles of San Francisco in California. Eventually it is planned, Morrison related, to have a Boysville unit in every state having a Footprinters chapter.

Boysville will provide a home, training and education for dependent and needy boys from the age of six years through high school. A sinking fund is also to be established to provide college education for all Boysville graduates who desire to continue their education.

Morrison said initial purpose of the movement will not be to handle delinquent boys, but will be to help deserving youngsters become upright citizens and thus prevent delinquency.

Some 30 local Footprinters attending the dinner heard Morrison say the organization plans to expand by including more businessmen in its fold and not a basis of one civilian to one officer as heretofore.

Titulary of the international convention to be held June 23 through 25 at Seattle, Wash., for Footprinters and their wives was also announced by Morrison.

Much of the convention will be set aside to formulating plans for Boysville.

Lakeview PTA Elects Officers

LAKEVIEW—At a special meeting of the Lakeview PTA, Tuesday evening, Mrs. Glenn L. Smith, chairman of the nominating committee presented the following slate of officers and the assembly cast a unanimous ballot for the slate: Mr. and Mrs. John Hanson, co-presidents; Mrs. Rex Stephens, vice-president; Mrs. Joel Peters, secretary; Mrs. Ross Duke, treasurer; Mrs. B. H. Franklin, historian.

Church Plans Fund Drive

A goal of \$10,000 was set last Sunday when members of Congregational Church, 2160 Garden Ave., met to consider raising cash and gifts for construction of a church school and community hall wing.

A committee has been appointed to make plans for canvassing church members, Sunday school families, and other friends of the church in the community on May 4.

Chairman of the committee is Truman Nelson. Other committee members are Duane Shogren, Wern Jahn, Virgil Vandiver, Loyal Lust and Rev. Donald Cassidy, pastor.

RC Drive Up To 61 Percent

Klamath County's Red Cross funds drive reached 61 per cent of its \$25,000 goal this morning. Collections totaled \$15,170.

Key to success of the drive appears to be the Rural Division. This division, slow to get under way because of bad weather and roads, has turned in only \$500 toward its \$5,000 goal.

Red Cross leaders have pointed the need of reaching this year's quota because of the Bloodmobile expense. Besides supplying the armed services with blood, the Red Cross is supplying free blood for home town hospital use. Last month 91 pints of the blood were used in Klamath hospitals. There is no charge for the blood. Persons receiving blood pay only normal hospital laboratory fees. If the Red Cross blood were not available, the blood would cost about \$25 a pint.

The Funds Drive Committee, headed by Russell Tidale and George Dimbat, met this morning to plan final action for the campaign.

PETRIFFIED CAT—Electricians wiring an old farm house were shocked to find a petrified cat sealed in the walls. One of the men said the cat had "completely turned to rock" in its airless tomb.

This will be Morgan's first appearance here since he was elected to head the Democratic organization in Oregon several weeks ago.

Bergstrom Is Lake Elk Boss

LAKEVIEW—Henry Bergstrom has been elected exalted ruler of Lakeview Lodge No. 1439, Benevolent and Protective Order of Elks. He served as esteemed leading knight last year.

Bergstrom will succeed Joel Peters as exalted ruler. Installation will be held at the regular meeting April 2.

Other officers elected by the lodge were: F. J. Fahs, esteemed leading knight; R. D. Proebstel, esteemed loyal knight; Dean North, esteemed lecturing knight and Gerald Gordon, treasurer.

INCOME UP—Portland (AP)—Net income for the Pacific Power & Light Company increased in the past year from \$3,251,900 to \$3,788,451, President Paul B. McKee reported Thursday.

He said that for the 12 months ended Feb. 29, revenues went up 7.8 per cent, from \$18,611,905 to \$20,067,854.
