Tax Office Boss Evades Questions

WASHINGTON (AP)—Daniel A. Bolch, pleading that answers might "tend to incriminate me," refused Thursday to testify on his big spending and other activities as a former top official of the Internal Revenue Bureau.

The committee had wanted to pursue sworn testimony it got Wednesday that in five years as chief of the Bureau's New York intelligence office and later as assistant internal revenue commissioner Bolch was paid \$53,000 by the government but spent at least \$15,217.

That testimony came from two special intelligence agents of the Bureau who swore also that Bolch admitted to them he spent \$82,000 in the five years, 1946-50. Bolch, a heavily built man whose personal finances have come under scrutiny in connection with his former official duties, took the witness chair over the vigorous prodding of his attorney, Robert L. Callahan of Brooklyn.

Callahan told Chairman King (D-Calif.) of a House Ways and Means subcommittee that Bolch's health made it "dangerous and unsafe for him to be here to testify."

King ordered Bolch to answer questions after noting that the committee had received independent medical advice that the former assistant commissioner was well enough to be subjected to limited questioning.

Bolch answered just one question he said his address was 617 Second St., Brooklyn.

Asked if he had any other residence, Bolch claimed his constitutional privileges against testifying against himself.

"I refuse to answer any further questions on grounds that any answer I might give may tend to incriminate me," he declared.

Botulism Said Cause of Death

PORTLAND (AP)—Botulism apparently was the cause of the death of two men at Pilot Rock last week, the State Board of Health reported Wednesday.

The report was made after initial tests of jars of home preserved foods eaten by Arthur D. Hillman, 72, and his son, Mantley, 42. Further tests will be made.

The father died March 23, the son four days later.

Kidnap Charge Filed Today

VANCOUVER, Wash. (AP)—A second-degree kidnaping charge was filed here Wednesday in the case of an 8-year-old girl who disappeared from school Tuesday. She has not been seen since.

Police said they were looking for the girl's mother, Mrs. Betty Goodson, 29, and Marvin Prentiss, 35, Portland, believed to be a friend of Mrs. Goodson.

The girl, Diane Goodson, had been living with Mr. and Mrs. William R. Stamper, Vancouver, since September. Her father, estranged from Mrs. Goodson, signed the agreement putting her in the Stamper's care.

Don Blair, deputy prosecutor, filed the kidnaping charge against Prentiss, explaining that Prentiss was believed to be the man who took Diane out of school Tuesday. The mother and a man were seen leaving Mrs. Goodson's apartment Wednesday.

A telegram was reported received by a local attorney Wednesday afternoon saying everything was all right and to "tell the Stammers." It was signed by Mrs. Goodson and sent from Yakima.

WOUNDED—Marine Pfc. Clifford W. Mynatt, 21, son of Mr. and Mrs. Jack W. Mynatt of Klamath Falls, has been reported wounded in action in Korea. His wound, inflicted by shrapnel, March 17, was only slight, according to word received by his parents. He is a machine gunner in the 5th Marines.

Red Cross Drive Gains

With over \$17,000 of the \$25,000 goal collected, Klamath's Red Cross chapter today was some \$3,000 ahead of last year's funds drive at this date.

Five of this year's six fund drive divisions appear to be headed for ultimate goals of more than 80 per cent of their quotas. The sixth division, Rural, got off to a slow start because of bad weather but returns now coming in point to an ultimate goal showing in that division also Crescent Lake, for instance, has sent in collections more than doubling last year's donations.

Russell Tudale, co-chairman of this year's drive, is urging that all outstanding contributions be turned in immediately. George Dimbat is the other co-chairman.

Firm Wins Value Battle

PORTLAND (AP)—The Reynolds Metals Company apparently has won its million-dollar protest against assessed valuation of its plant at nearby Troutdale.

County Assessor Wiley Smith disclosed Wednesday that the State Tax Commission has reduced the valuation of the plant \$915,871.

The company which has an aluminum reduction plant there, paid its 1951-52 property taxes under protest. It now is in line for a \$43,687 rebate, Smith said.

Smith said the commission's action cut the valuation from \$1,100 to \$125 an acre, putting it in line with surrounding farm land.

Court Puts Party Line Vote Across

WASHINGTON (AP)—The Supreme Court ruled Thursday that Presidential elector candidates can be required to pledge loyalty to their national party.

The vote was 5 to 2. The decision was given on an appeal by the State Democratic Committee of Alabama—dominated by national party "loyalists"—from a ruling by the Alabama Supreme Court.

The Alabama court said a Democratic candidate for presidential elector could not be barred from the state's May 6 primary ballot because he refused to promise to cast his electoral vote for the presidential and vice-presidential nominees of the Democratic national convention.

The candidate, Edmund Blair, an Alabama weekly newspaper publisher, said he would not vote for President Truman "or for anyone who advocates the Truman-Humphrey civil rights program."

Sen. Humphrey (D-Minn.) has been a leading proponent of the Truman administration's program for anti-lynching and anti-poll tax laws and a compulsory fair employment practice commission.

The Alabama litigation developed weeks before President Truman's announcement last Saturday night that he would not be a candidate for re-election.

The Supreme Court decision was announced in an unsigned opinion which said a full explanatory opinion would be handed down later.

Justices Douglas and Jackson dissented from the decision and Justices Black and Frankfurter disqualified themselves.

The court normally hands down its decisions only on Mondays except when a matter of unusual importance is involved or the time element dictates immediate action.

Two Killed In Crash Of B-29

VERMILLION, Kas. (AP)—Two Air Force men, one a colonel who took over controls of a crippled B-29 while 10 other crew members parachuted to safety, were killed early Thursday when the plane crashed on a farm south of here.

Officials from Forbes Air Force Base, Topeka, where the B-29 was based, identified the officer as Lt. Col. Thomas S. Roberts, 32, of Woodside, Long Island, N.Y.

The other victim, whose parachute failed to open when he leaped from the plane, was identified as a corporal. Further identification was withheld pending notification of relatives.

Forbes officials said Capt. Melvin L. Doesken, Garfield, Kas., plane commander ordered the crew to bail out when plane trouble developed.

As the others parachuted from the B-29, Col. Roberts moved to the controls and ordered Doesken to jump from the plane, said Capt. Paul Mahar, Forbes public relations officer.

Sheriff Oliver Jones said the plane plowed into a herd of cattle bedded down for the night in a cowlot. Eleven of the cattle, owned by Lloyd Robbins, were killed.
