

Quarterback Season Opens

WASHINGTON (AP) — Blasted "kings of the air" Taft and Kefauver talked of them Thursday as victory-bound candidates in the presidential nomination races but opposition camps sounded counter-claims.

Backers of Taft of Ohio for top place on the Republican ticket and supporters of Kefauver of Tennessee for the Democratic nomination based their optimism on the outcome of Tuesday's primaries in Nebraska and Wisconsin.

"Taft's success in both contests represents a definite measure of strength and puts him, I believe, on the way to victory," said Sen. Schoepel (R-Kan.).

Sen. Morse (R-Ore.), said Nebraska and Wisconsin amounted to a "game for Taft," but added he has "no doubt" the GOP nomination will go to Gen. Eisenhower.

Rep. Priest (D-Tenn.), called Kefauver's victories in the two primaries "proof that the rank and file of the Democrats are going to insist that he be nominated." On the other hand, Sen. Maybank (D-S.C.), contended that Sen. Russell of Georgia "has the edge at this point" for the nod on the Democratic ticket. Maybank said Russell has "the Solid South sewed up and he is going to have enough northern delegates to make it a race."

Senate Gets Harbor Bill

WASHINGTON (AP) — The fight for more funds for rivers, harbors and flood control work shifted Thursday from an adamant House to a frequently more liberal Senate.

The House Wednesday beat down a second series of proposed amendments, and voted the exact appropriation of \$492,434,900 — and for the same projects — its Appropriations Committee had recommended.

It was the second straight year the House has accepted the committee bill as written.

Both House and Senate members from states which didn't get approval of projects they asked promised to carry on the battle in the Senate.

That body in past years has frequently added substantial projects and amounts of money to the bill as passed by the House.

There was no definite indication how soon action could be expected in the Senate.

Probation Given In Murder Trial

PORTLAND (AP) — Federal Judge Gus Solomon Wednesday sentenced William Rowland, 55, to three years in prison, then placed him on probation.

Rowland, a Cheyenne Indian, was accused of the murder of Mrs. Pauline Elizabeth McCorkie, 28, a Warm Springs Reservation Indian, last Nov. 5. Rowland said her neck must have been broken accidentally while he scuffled with her in the back seat of his car.
