Vining Repertory To Present Pulitzer Winner

The fourth play to be presented by the Vining Repertory at Ashland's Lathia Theatre during their April 14-May 10 season is the Pulitzer Prize drama, *Death of a Salesman*, by Arthur Miller, which also won the New York Drama Critics' Award as the best play to be presented on Broadway in 1949. This production will differ greatly from the other three plays in the series, *Arms and the Man*, *Old Lace*, *Claudius*, and *The Importance of Being Earnest*, all of which are comedies.

Called by Brooks Atkinson, of the New York Times, "one of the finest dramas in the whole range of the American theatre," this play has been a bigger success, not only in every major American city but also in most foreign capitals, than

Idaho Plane Crash Fatal

COUNCIL, Idaho — One man was killed and the pilot, B. E. Crawford, about 20 of Seattle, was injured Wednesday when their light plane crashed in the Seven Devils country about seven miles north of this West Central Idaho village. The dead man was identified as David Young, also of Seattle. Crawford was given a good chance to survive, a Council physician said. He has head injuries. Prosecuting Attorney Carl Swanson and Sheriff Living Wagner headed a party into the rugged country Wednesday night to pack Crawford three-fourths of a mile on snowshoes to a highway, where he was picked up by an ambulance. Swanson said the other man was entangled in the plane's wreckage. He said another crew of men equipped with hatchets and axes would hike into the area early Thursday to remove the body. Crawford's father in Seattle said his son was traveling with Young, State Aeronautics Director Chet Moulton spotted the plane after it was reported missing on a flight from Weiser, Idaho, to Missoula, Mont.
