FORT ROCK

By ROBERTA MCGEE

Well, here I am folks, back to work... I had a wonderful vacation and visit with my mother, Mrs. Jennie Schneider, in glorious Miami Beach, Fla. David and I returned to Oregon Monday March 31. Stayed at the Winema Hotel in Klamath Falls for two days and returned to Fort Rock Wednesday evening, April 2.

Seems as though Donald has a better green thumb than I have. All my plants are just blooming beautifully and have grown into a small jungle. Donald had a wonderful surprise for me on my return. He had installed a pressure system and we now have running water in the house instead of running after it.

A special school board meeting was held Sunday afternoon, April 16, at the school house. The parents were asked to present to help discuss what's left to be done to the school building and grounds to enable the school to become standard.

Mr. and Mrs. John Harrison and Scotty went to Bend Wednesday afternoon for a medical treatment. Seems though Scotty hasn't been feeling too good with a very bad cold, and also John has been a bit under the weather with stomach troubles.

Mr. and Mrs. Donald McGee were dinner guests at the home of Mr. and Mrs. Floyd Branch Thursday evening. Burton Brown is leveling land for Leonard Pitzer and planned on being finished by Tuesday, April 8. Burton will start hauling logs into the mill again, as the mill was shut down due to a load limit on the highways these past couple of weeks.

Mr. and Mrs. John Harrison and Scotty had Sunday dinner with Mr. and Mrs. Donald McGee. The annual Easter Sunday worship service held jointly by the Silver Lake and Fort Rock communities at the Silver Lake School house auditorium, was very well attended by the families of both communities.

The stage was laden with a variety of fresh cut flowers and potted plants which made the auditorium a festive air. Mrs. Guy Martin was the pianist, and the choir rendered their hymns beautifully. Rev. Earl Hunt's sermon was titled "Diving to Live". After the worship services the congregation joined in a lovely Easter potluck dinner consisting of hams, turkey and all the trimmings.

Saturday night, April 12, the Fort Rock Grange opened its meeting with an efficient seating drill. We took this opportunity to congratulate Brother Nick Klerk for the fine way he has handled and organized the seating drill these past few months. Keep up the good work.

Mr. and Mrs. Bob Morehouse, Dick Morehouse and Fred Kaley were obligated into the fourth degree. Welcome to our Grange. The Grange is trying to start on time, and we were all present on Saturday night, but we had difficulties in getting the light plant started, so our meeting was late again in opening. Hope we have better luck in the future.

Mr. and Mrs. Elgin Corbett and family of Lakeview, and Burton Brown of Fort Rock were guest Grangers at the meeting. Corbett gave a few interesting pointers for the ranchers and also wishes to mention that the Lake County Stock Growers Assoc. offers a \$500 reward for information leading to the arrest of anyone harming or taking cattle. To raise the money for this fund they ask each member to pay two cents per head for grown cattle. Anyone interested can get the details from Elgin Corbett, County Agent, who is also the secretary of the organization.

Bernard Busic, Soil conservationist for the district of Lakeview, and George Ashcraft, Chairman of the district of Lakeview, were also present.

The board of Supervisors of BCS District of Lakeview, gave a few details on the work of the BCS and asked for questions. The main purpose of these discussions are to try to form one district of BCS in Lake County, but it will be up to the local ranchers to decide whether or not they will form their own district or go into one large district. There will be future discussions on this matter. After the meeting a potluck supper was enjoyed by the large group that was present that evening. Square dancing lasted until about 2 a.m. with fun had by all. Joanne Glider and Gene Pitzer supplied the music and calling.

The dance committee is planning on a dance in the very near future, so watch for the announcement. Charlie Stingley and Gladys Emery left Tuesday for Eagle Creek to visit his uncle, Noah Stingley. They stopped and visited San Olmstead also. The main purpose of the trip was to see some friends, but the smell remained at the mouth of Sandy River and never came as the radio reports said. Charlie and Gladys came home Saturday night without a smelt between them.

Bobbe Glider found the most Easter Eggs during the Easter Egg hunt held at the school Friday morning. Business visitors in Bend on Monday were: Walt Nicols, Mr. and Mrs. Floyd Branch and Mrs. John Harrison and Scotty and Mrs. D.L. McGee and David. Mr. and Mrs. Branch came home with a 1950 three-quarter ton blue Chevrolet automobile. They traded in the Oldsmobile. The Grange piano was tuned and repaired on Wednesday.

On Thursday little Trent Rutherford fell from the cab of his dad's truck and cut his tongue. Deibert had to take him to the doctor. He had two stitches taken. Mr. Leonard Pitzer went along to hold Trent, Reva and Verna also went along.

The Bureau of Land Management held its annual range meeting at the Grange Hall Thursday, Dist. Granger Ed Bailey was present. The Cabin Lake Ranger Station is now open. Mr. and Mrs. Joe Steinkamp and son, Ronnie, moved in Friday, April 10.

Mr. William Massey of Redmond arrived Wednesday night to visit his daughter and family, Mr. and Mrs. John Harrison. She returned home Friday afternoon. The Forest Service held a range meeting at the Grange Hall Friday, April 11.

Westside

By MRS. MERLE O'NEIL

The entire community was shocked and saddened to learn of the death of little Jimmie Neasham who drowned near the home of his parents Mr. and Mrs. Roy Neasham about 8:30 the morning of April 3. He and another younger brother had followed their sister Mary out to catch the school bus. She attended the West Side grade school, and they nearly always walked out the lane with her when she caught the bus.

Immediately after the bus left the little boys started back to their home, and the other little boy, Richard, who is 4 years old, was ahead. He happened to glance around in time to see his brother, Jimmie, who was 6, just as he dropped out of sight in the snow. He was standing high on a snow bank near where the creek crossed under the road and the creek was running full tilt underneath the the snow.

Trapped from sight and his brother ran home to tell his mother, Mrs. Roy Neasham, that Jimmie was in trouble. She went back as quickly as possible but was unable to find any trace of Jimmie except to see where he had gone through the snow. She drove to the neighbors for help, and then to the West Side store where they phoned for the disaster car. When she got back to the scene the men, Mr. Tomlin and Mr. Schrammel, had pulled the boy out and found beneath four and five feet of water beneath the snow. They worked frantically over him but were unable to bring him to life. They applied artificial respiration but he had been in the water around 45 minutes.

The doctor said he had hit his head on a concrete abutment where the ditch rider measured the water used during irrigation. Apparently he was knocked unconscious. When the disaster car arrived they used the pulmotor but it was also to no avail.

Funeral services for little Jimmie were held April 5 at the Chapel in Lakeview and the Rev. Stratford conducted the service. Mr. and Mrs. Raymond Johnson returned from their trip the past week. They brought their grand-son Ronny Wilson home with them for a visit. The Johnsons have purchased a new blue Dodge sedan.

Mr. and Mrs. Henry Neasham were here last week from Molalla to attend their little grandson's funeral. Easter Sunday, the West Side Sunday school has planned a community potluck dinner to be held at the Grange hall immediately following the morning church services. There will also be afternoon services and Reb. Carlton Bab-bidge of Lakeview will deliver a message. All who would care to attend the Sunday school in the forenoon, the dinner or afternoon meeting are cordially welcome, and even those who can't attend church are welcome to come for the dinner.

Stanley Hanson and his brother-in-law of Lakeview were calling on friends on the West Side recently.
