NEW YORK — Railroad issues led the stock market ahead Monday by fractions to around two points.

The volume was around 1,100,000 shares.

The rail stocks had the greatest demand and were strongest as a group. They made the first forward move after a hesitant start and were quickly followed by other major groups.

GRAINS

CHICAGO — Most grain contracts recovered from an early sell-off on the board of trade Monday, pushing above the previous close.

The May contracts lagged on the recovery, as did all deliveries of oats. Several oats contracts sank to new seasonal lows at one time, reflecting good seeding weather over the week-end and fears of more imports from Canada.

Brokers thought the rally was in part technical, aided by shortcovering and the possibility of expanded export business in wheat this week.

Wheat closed 1/2 lower to 3/8 higher, May \$2.44 1/2, corn 1/2 lower to 1/4 higher, May \$1.78 1/2-1.80, oats unchanged to 1/2 lower, May 80 1/2-81, rye 1 cent lower to 1/2 higher, May \$2.00 1/2, soybeans 1/4-1/2 higher, May \$2.83 1/2, and lard 5 cents lower to 5 cents hundred pounds higher, May \$10.75.

Angus Crown To Washington

Eileenmere Meadow Lad 7 — a sleek, full bodied black Aberdeen Angus — was named grand champion bull of the 5th Annual Klamath Falls Angus Show at the Fairgrounds yesterday.

Congressmen by Meadowmere Farms, Deer Park, Wash., the champ was selected by Judge Jim Guttridge over one of the top groups of Angus assembled this year on the Pacific Coast.

A crowd of several hundred on-lookers — many Klamath townspeople — watched the judging, which saw one of Klamath's own Angus bulls awarded the pink ribbon of the reserve champion — Dale West's Blackmar Bell Boy.

West's place is at Merrill, his brother, Gerry, last month's consigned female Angus to the Regional Sale at Sacramento where she won the grand championship in her class.

Harold Rankin, Hermiston breeder, made it two in a row here at Klamath Falls as he won his second purple ribbon for the grand champion female — this time with a senior yearling named Eileen Jaybee 2. Rankin was wearing last year's grand championship tie.

Reserve champion female was Eileen of Hacienda, consigned by Hacienda de los Reyes, Selma, Calif. Mr. and Mrs. William J. Volkman were the owners, and Mrs. Volkman was present.

More than 170 breeders and guests gathered at the Willard last night at the annual banquet. Among those present were the Pacific Coast Aberdeen Angus Association president Charles T. Ryan. The association is the sponsor of the Klamath Falls show and sale.

The sale was scheduled to get underway at noon today with 113 commercial females — some with calves at side and some of them bred — slated for auction besides the 52 registered bulls and females.

Buyers from throughout the West were in Klamath Falls today, many of them looking for good animals with which to improve their Angus herds or for crossbreeding with other breeds of beef cattle.

Alvin Chayne, himself a consignor to the show and sale, is chairman. W. G. Noggle assisted the Chamber of Commerce in backing the annual affair.

Chief topic for discussion will be the possibility of extending airline service from Medford over to Klamath Falls.

West Coast Airways terminates from the north at Medford, Tucker said, while Southwest terminates from the south, Medford is also served by United Airlines on a through schedule.
