

STUDY REPORTS ON POLIO DISCOVERY—Dr. David Bodian (left) of Johns Hopkins university and Dr. Dorothy M. Horstmann of Yale university study reports they made in New York City that polio strikes first in the blood stream instead of nerves. The discovery already is used to prevent polio in monkeys and chimpanzees. The reports were made to the Federation of American Societies for Experimental Biology.

Is Census Out of Kilter Or People Out of Hand?

By HALE SCARBROUGH
The Bureau of Census, in tabulating its 1950 count of the people, has already listed Klamath Falls as one of the few cities in the West that had a declining population between 1940 and 1950. And now the Bureau comes up with statistics to show that Klamath Falls has more married men than it has married women. How that is possible the Bureau doesn't explain, unless there's some polyandry going on.

Women Plan Turkey Feast

MALIN — Turkey with all the trimmings, enough to feed around two hundred people, was the topic of discussion Thursday afternoon, April 17, when the members of the Main Ladies Aid Society met at the church. The turkey dinner, which is an annual affair, will be served from five o'clock until 8 on April 24 (Thursday). Although tickets need not be purchased in advance, they may be obtained from any ladies aid member. The afternoon's meeting was conducted by president Vesta Shogren. Guest speaker was Mrs. Tom Newton, who spoke of a weeks training class which she had attended at Lewis and Clark College in Portland some time back. The classes were pertaining to church work and are highly recommended by Mrs. Newton. Following the program refreshments were served by Mrs. Lida Kirkpatrick and Mrs. Milo Smith to the following: Mrs. Emma Wilson, Mrs. Ollie Ratliff, Mrs. Mabel Cunningham, Mrs. Teresa McComb, Mrs. George Shuman, Mrs. Vesta Shogren, Mrs. Milo Smith, Mrs. Leah Street, Mrs. Florence Wilson, Mr. Shuman and a guest Mrs. Mitchell from Tulelake. The serving of the Junior Senior Banquet on May sixth will also be handled by the Ladies Aid.

Ike Confined With Cold

PARIS (AP) — A heavy head and throat cold will keep Gen. Dwight Eisenhower in bed for another day. Informants said his temperature has dropped to normal but another day of rest is needed to lick an "upper respiratory infection."

NEA DUEL — The U.S. Navy said the high-speed minisweeper, Endercole, was straddled more than 20 times Saturday in a duel with Red shore batteries at Songjin, North Korea, but withdrew without casualties.

It just stands to reason. Anyhow, the Bureau of Census reports that its 1950 count showed 4,364 married men here in town, and just 4,266 married women. Here are some other figures about us people, as reported by the Bureau: Klamath Falls' population for 1950 was 15,875, and that included 8,071 males and 7,804 females. It also included 15,730 white people, 60 Negroes and 85 persons of other races. Our average was 32.1 years, and 64 per cent of the townpeople were over 65. There were 1,655 youngsters under 5. Our average income (per family) was \$3,368 per year (for 1949), and our average education was something just a little bit better than the 11th grade. We were set up in 5,344 households, and the average household was populated with 2.85 souls.

LABORERS — Also, of the population over 14 years old, 81.8 per cent of the men were in the labor force (either holding a job or looking for one) and 39.4 per cent of the women were also in that category. The labor force totaled 7,175 persons. The report says that while there were only 4,266 married women, there were 4,360 married couples living together. Oh, well . . .

Death Claims State Pioneer

Death Saturday took John P. Jendrzewski, an Oregon resident for the past 46 years. He was 66 years old. An active farmer, he had just recently joined his son Bernard in a farming operation near Bonanza, Ariz. son, Walter is a Klamath county agent. Jendrzewski was a past president of the Eastern Oregon Turkey Growers Association and a past president of the Eastern Oregon Fair Board. He was long active in various cooperative marketing associations. Recitation of the Holy Rosary will be held at 8 p.m. tonight at O'Hair's Memorial Chapel. Funeral services will be held in Portland Wednesday, with interment in Mt. Calvary Cemetery, Portland.

CASH IN YOUR MILK BOTTLES!

we are running short!

We need those extra bottles right now. We don't want to buy more new bottles as we will be using paper containers June 1st. All Crater Lake bottles gladly bought at creamery.

KLAMATH FALLS CREAMERY

Tragic Crime Growth Noted

WASHINGTON (AP) — Crime is increasing in the nation, says the FBI and — a tragedy of our times — the accent is on youth. FBI Director J. Edgar Hoover Sunday released a compilation of statistics from police departments throughout the country. They show rate increases for 1951 of 5.2 per cent in cities and 5 per cent in rural areas. Of persons arrested during the year, he said most were aged 23, 14.4 per cent were under 21; there was a 7.7 per cent increase among the under-18 group, and 44.9 per cent of 20-year-olds had previous fingerprint arrest records.

Truce Talks In Same Rut

MUNSAN, Korea (AP) — Each side Monday refused to recognize that problems exist on the two deadlocked issues in Korean truce talks. There was no hint of compromise. Col. Don O. Darrow, a United Nations Command staff officer, said the Communists refused to "discuss or even acknowledge" the use of military airfield construction in Korea in the event of an armistice.

The UNC wants to ban the building of military airfields during a truce. The Reds have called this interference in the internal affairs of North Korea. A UNC communique said the matter of which nations shall supervise a truce "has been solved" by the UNC suggestion that only four nations — Sweden, Switzerland, Poland and Czechoslovakia — form the neutral nations supervisory commission. The Reds want Russia on the list. The Allies do not. Staff officers discussing truce supervision stayed in session an hour and four minutes Monday. Other staff officers conferring on prisoner exchange — third stumbling block to a truce agreement — held an hour and 47 minutes off the record discussion. Both groups planned to meet again Tuesday at 11 a.m., 16 p.m. Monday PST.

Demos' Feud Gets Hotter

PORTLAND (AP) — Another Democratic party leader has attacked Oregon Democratic National Committeeman Monroe Sweetland. The current dispute was touched off Friday when State Treasurer Walter J. Pearson, speaking at a Roseburg Jefferson-Jackson Day dinner, said party harmony was impossible under the "Sweetland group." Sweetland later replied that Pearson had aligned himself with a "disruptive element" in the party with which he said State Sen. Thomas Mahoney is associated.

Queen Keeps Old Promise

WINDSOR, Eng. (AP) — Queen Elizabeth II made good Monday on a promise she had given the Grenadier Guards 10 years ago that they would be the first troops she would inspect as sovereign of the realm. It was the queen's 26th birthday, her real one. On June 5 the British people will celebrate her birthday by decree.

Dressed in black and with her bowler-hatted consort, the Duke of Edinburgh, close by, the Queen reviewed a Grenadier Guards contingent of 600 men on the castle's quadrangle. A drizzle cancelled out much of the pageantry that usually goes with such a review. The men carried no regimental colors nor arms. Grey capes shrouded their brilliant scarlet tunics. But three-year-old Prince Charles at a window overlooking the quadrangle, enjoyed the show. Delightfully he beat time to the guards' band music with his fist and at the end of the parade he put up a creditable imitation of a real guard's salute.

AP Chiefs Believe U.S. Seeking Oatis' Release

NEW YORK (AP) — The board of directors of the Associated Press said Monday it is confident the United States government "will explore and exploit any opportunity to end the unjust confinement" of AP reporter William N. Oatis in a Czechoslovakian jail. Oatis was "told a year ago this week — April 23 — on charges of espionage. He was sentenced last July 4 to 10 years imprisonment. The AP director said the trial showed he was guilty "only of endeavoring, honestly and objectively, to gather and report information which in the western world is legitimate and essential news." One effect of retaliatory measures invoked by the United States against Czech trade, the directors

Paper States Strike Policy

TACOMA (AP) — The Tacoma News-Tribune said Saturday it took the position in the week-long AFL Pressmen's Union strike that the hourly scales of wages in Tacoma should not be higher than those paid in Seattle. In a public statement, the News-Tribune said it had informed Federal Conciliator Harold R. Conn that "it stands on two fundamental issues as follows: 1. No pay for the work not performed and 2. The hourly scales of wages in Tacoma should not exceed Seattle's." The services of the Federal Mediation and Conciliation Service were called upon Friday by the pressmen's union. Conn said Saturday he planned exploratory work before attempting to arrange a joint union-management meeting.

HOME AGAIN — SAN FRANCISCO (AP) — The transport Gen. C. G. Morton arrived from the Orient Saturday with 1155 combat veterans from Korea and 37 alien war brides.

are confident that the government of the United States will explore and exploit any opportunity to end the unjust confinement of our reporter." The board noted also that Frank Noel, AP photographer, is a prisoner of war in Korea, and it commented that he "has the unique distinction of having been able to continue, at least temporarily, his professional work for the Associated Press while in enemy hands." As a prisoner, Noel took pictures of other U.N. prisoners. The AP has a larger staff of foreign correspondents today than it had before World War II and is spending nearly three times the 1938 figure for obtaining and transmitting foreign news, the report said. Newspaper membership during the year increased by 13 to a total of 1,733. There was a net increase of 58 radio station memberships, bringing the total to 1,126. In 72 countries outside the United States, 2,705 newspapers, radio stations and periodicals received AP news and newsphoto services. At their business meeting, AP members will elect six directors and act on the applications of 18 associate members for regular membership.

* Average of 26 cars
Check the performance of your favorite
(These figures represent the best mileage of each make)

MILES PER GALLON	MILES PER GALLON
CHEVROLET Styleline . . . 20.571	MERCURY Monterey . . . 25.409
CHRYSLER Windsor . . . 19.359	PACKARD "200" . . . 19.227
DE SOTO Fire dome 8, 6 pass. . . 21.277	PLYMOUTH Cranbrook . . . 23.522
FORD "6" Mainline . . . 25.463	STUDEBAKER Champion . . . 27.822
HUDSON Hornet "6" . . . 20.827	SPECIAL LIGHTWEIGHT CLASSES
KAISER De Luxe . . . 24.648	HENRY J Corsair "4" . . . 30.855
LINCOLN Capri . . . 22.356	PLYMOUTH Concord . . . 23.079

RESULTS of the rugged 1415.4 mile Mobilgas Economy Run to Sun Valley dramatically prove the inherent economy of 1952 cars under high speed operation.

CLASS WINNERS WERE: CLASS A, Ford "6" Mainline, 25.46 mpg; CLASS B, Kaiser De Luxe, 24.64 mpg; CLASS C, Mercury Monterey, 25.40 mpg; CLASS D, Hudson Wasp, 20.46 mpg; CLASS E, De Soto Fire dome 8, 6 pass., 21.27 mpg; CLASS F, Chrysler Saratoga, 19.02 mpg; CLASS G, Lincoln Capri, 22.35 mpg; CLASS H, Chrysler Saratoga, 8 pass., 17.65 mpg; CLASS I, Chrysler Crown Imperial, 16.23 mpg; Special Lightweight 4-Cyl. Class, Henry J. Corsair, 30.85 mpg; The Mercury Monterey took the sweepstakes prize with a figure of 25.40 miles per gallon. Running under identical competitive conditions, the 26 strictly stock American cars averaged 22.0 miles per gallon.

WINNERS . . . were picked in 11 classes, each car being judged on its performance, pound for pound, compared to others within that price class. Winners were selected on a handicap basis so that every competitor had equal chance. Handicapping was on a "ton-mile" basis: car weight is multiplied by the number of miles, and per gallon" figure. The sweepstakes winner is that car which delivered the highest "ton-miles per gallon" of all participants in all classes.

IT WAS OFFICIAL — was sanctioned and supervised by the Contest Board, American Automobile Association.

GASOLINES WERE STRICTLY STOCK — Drivers used Mobilgas or Mobilgas Special (premium), whichever they preferred. Regular Mobiloil protected the engine, and all running gear was lubricated with Mobilgreases.

TO GET ALL THE MILEAGE YOUR CAR CAN DELIVER — Economy Run drivers urge these three rules: drive sanely, keep your car in good mechanical condition, and use Mobilgas.
