

Adler Award Goes to Girl Who Wouldn't Quit Trying

The fourth successive try was made by blonde-haired Judith Judy Brauner, 12, at the annual Adler award finals held last night at Mills school auditorium.

Smilingly, the daughter of Mr. and Mrs. Martin Brauner, 1327 Lookout St., walked out of the auditorium with \$100 check clutched in her hands.

A seventh grade student at Fairview school, Judy played the Fourth Movement of Beethoven's Sonata as her winning number. She has been a piano student at Sacred Heart Academy school of music for five years. Her teacher this year is Sister Imelda Joseph, V.A.R.T.Y.

Not content with learning the piano, Judy has been taking cellists in group classes at Fair-

view the past three years. She aspires, also, to take vocal lessons. But mother says that will have to wait until about three years from now.

There is another budding musician in the Brauner family. It is 7-year-old Katherine, who is also taking piano lessons at Sacred Heart while attending the second grade at Fairview.

What is Judy going to do with that \$100? Well, she would like to keep it, but "it will probably pay for my lessons," she said last night.

BENEFACTOR
The award is presented annually by Dr. George Adler to the student winning the competition, to be used in furthering musical training.

There were 26 aspirants for the award at Mills last night, ranging from the third through the eighth grades.

In addition to vocal selections, there were recitations on the piano, violin, clarinet, French horn, baritone horn, trumpet and flute.

Patrons Plant Trees, Shrubs

MALIN—At the April meeting of the Malin Parent-Patrons Club Pres. Mrs. Alva Smalley reported on the fine work the club is doing in helping landscape Grade School grounds. Club members, working with the Malin Park Board and Ed Green, Tulelake, have planted 20 trees and many shrubs near the new gymnasium. The landscaping is being done under the supervision of Mr. Green, who has given his assistance free of charge, and Mrs. Smalley and the club members are most grateful to him for this. The new landscaping on the school grounds will blend with that of the park, which is across the street. More work is planned for this week end, when more things will be planted as well as work started on the planting of a lawn. Anyone who has the time to donate his labor should contact Mrs. Smalley or any members of the Park Board.

Many of the trees and shrubs that have been planted were donated to the school by the park and others were purchased from Green at cost.

Following the business meeting a musical program was introduced by Charles Dobry, Program Chairman.

Local talent on the evening program were: Mr. Miller's boys chorus, who sang "Old Black Joe" and "Night Shadows Fall"; a dance number called "Cuban Cock Fight" with Karen Rainus and Sharon Lyons portraying, by dance, the movements of two cocks preparing to fight; and a dance interpretation consisting of eight dance pupils of Mrs. Ruybe Kujaz entitled "The Fire Dance." This dance depicted the goddess of the volcano arising from the flames. Colored lights were thrown on the dancers to represent flames. Susan Kulae danced the "Mexican Hat Dance" and Susan's brother Neal fascinated the audience with his Clarinet Solo of "Shower of Gold" followed with the encore number "American Dance." Both children were accompanied at the piano by their father, Karl Kulae.

The program was concluded with "Pale Moon" sung by the girls chorus led by Mrs. Donathan, Music Instructor, followed by Mrs. Eileen Herrington singing "The Sunshine of Your Smile."

Refreshments were served at the close of the program by the third grade mothers.

Malin Names Class Leaders

MALIN—Bob Micka, Malin High School Senior has been named Valedictorian of the graduating class of 1952, and Illys Smalley was named Salutatorian. Graduating exercises will be held this year on May 23 in the Broadway Theater.

A very busy schedule for the students and teachers has been lined up for the remainder of the school term.

Music pupils of both schools will hold their Spring Concert on April 30 and will be in charge of Charles Dobry, Band Instructor and Mrs. Donathan, Music Instructor.

On May 6, the Junior and Senior classes of the High School will have their annual banquet. The banquet this year will be held at the Malin Church and will be served by the Ladies Aid.

The County Music Festival held at OTI on May 13 will take music students from the Malin schools from the fifth grade on up.

On May 14 election of officers will be held by the High School Student Body and Sunday May 18 is the day set aside for Baccalaureate Services.

Hans Norland Fire Insurance, 627 Pine St.

Fire Poster Deadline Set

April 30 is the deadline for fire prevention poster entries in the 82d annual Batestate Fire Prevention Poster Contest sponsored by the Keep Oregon Green Association. Klamath County Green Guard members have been invited to participate.

County Chairman J. V. LaClair reports the Green Guard will be divided into two divisions—junior from 8 to 12 and seniors from 13 to 16. Prizes are being offered the winners.

Poster size should be 11 by 14 inches, LaClair reported, and should have the entry's name, address, age and school on the back. They should be mailed to Keep Oregon Green Association, Box 471, Salem, before deadline time.

Cop Arrested In Big Theft

NEW YORK (AP)—It was tough for Detective Nathan Mennen, fellow officers thought, when his younger brother was arrested last fall in a \$29,000 Brooklyn Post Office burglary.

It was even tougher Wednesday. The 40-year-old Mennen himself was arrested, suspended from the police force and accused of being the leader of a five-man gang that staged the post office job.

Brother Irving Mennen, 37, allegedly was one of the gang.

Nathan had been assigned to investigate the case. When his brother was arrested, he was demoted to patrolman for his poor work. But for 13 years he had been considered a model officer.

CHARMER'S LOSS

MANILA, 5/1—Zosimo Candelaria was arrested on the complaint of Flaviano Tubernilla that he killed a snake in a restaurant at Calamba. Tubernilla is (was) a snake charmer. The dead snake, he charged, was his only means of livelihood.
