

### Can She Bake A Cherry Pie Billie Boy! Billy Boy? Sure!

CHICAGO—Leah Jane Wittner, 18, of Bolting Springs, Pennsylvania became the Nation's Champion Cherry Pie Baker when she triumphed over entrants from every state in the country at the 56th Annual National Cherry Pie Baking Contest in Chicago on February 21. The 48 state contestants were the winners of over 2,000 young girls who competed in town, county and state contests from coast to coast.

Pie cherries will soon be on the market here. According to Leah Jane, pretty and petite Home Economics student, her recipe had been worked over and adjusted in her "home ec" classes for three years. Her championship cherry pie recipe is as follows:

**INGREDIENTS (CRUST)**  
2 cups sifted flour  
1/2 tablespoon sugar  
1/2 teaspoon salt  
1/2 cup shortening  
1 egg separated  
1/2 tablespoon lemon juice  
1/2 cup milk

**DIRECTIONS**  
Mix dry ingredients together. Add shortening and blend with a pastry blender. Mix egg yolk, lemon juice, and milk together by beating with fork. Stir this mixture into the dry ingredients to make a soft dough. Turn the dough into a floured pastry cloth and while you make the cherry filling, invert a bowl over the dough, allow to stand for 10 minutes. Then divide the dough in half. Roll one piece out and fit into pie pan. Brush this crust completely with egg white, and cooled cherry filling. Roll out pastry for the top, making air vents in the center. Place the pastry over the filled crust. Trim off any surplus pastry. Flute the edges to seal. Bake in hot oven at 450 F. for 10 minutes. Then reduce the temperature to 375 F. for 15 to 20 minutes.

**INGREDIENTS (FILLING)**  
3 cups red sour canned cherries drained  
1 cup sugar  
1/2 teaspoon salt

3 tablespoons cornstarch  
1/2 cup cherry juice  
1/2 cup sugar  
4 drops red food coloring  
If frozen cherries are used, thaw cherries thoroughly and drain, reduce sugar to 2-3 cup.

**DIRECTIONS**  
Place sugar, salt, cornstarch and cherry juice into a saucepan. Stir. Cook until it begins to boil rapidly. Then add drained cherries carefully. Continue cooking gently until the desired thickness is reached. Remove from heat. Add butter and red food coloring. Cool.

### Women of Japan Learning Home Demonstration Pays

Maud Wilson, Oregon State College, guest speaker at the coming May 6 Klamath County Home-maker's Festival at the fairgrounds will talk on "Japan's Program for Farm Life Improvement." She spent the spring of 1951 in Japan where she helped the Japanese Agricultural Improvement Bureau with plans for setting up a department of Home Economics Research.

Miss Wilson visited rural homes in several sections of Japan, and became acquainted not only with home problems but also with home demonstration agents and specialists and their programs. Only three or four years old, the rural home improvement program in Japan has already been started in all the prefectures, (corresponding to our states) and there are over 600 home improvement workers employed.

She was particularly interested in because she herself was a pioneer seeing some of this pioneer work in extension work in this country. She was in charge of the home
