Stocks

NEW YORK (AP) — Railroads forged smartly ahead Saturday in the stock market and encouraged a general advance.

Gains ran from fractions to between 1 and 2 points with the best of the rise in the railroads.

Volume came to an estimated 500,000 shares as compared with 540,000 shares traded a week ago.

There were few backward areas in the list. Some oils and building materials lagged, as well as issues under pressure because of corporate developments, but they exercised little restraint.

Buying enthusiasm for the rails was based on first quarter earnings reports. The carriers are showing up well against a year ago. At the same time their second quarter prospects are bolstered by the increase in freight rates recently granted.

The steel division of the market lifted along largely on the upside.

GRAINS

CHICAGO (AP) — Feed grains led a general retreat in cereals on the board of trade Saturday. Oats weakened most, largely on news that more Canadian oats were being shipped to Buffalo.

The market opened mixed with wheat showing fair strength. Buying was based on an Agriculture Department report that stocks in all positions were considerably under a year ago. But the bread cereal could not hold its gains in the face of surrounding weakness.

Wheat closed 1 ¾-1 ½ lower, May $2.42 ¼-⅜, corn 1 ⅛-1 ¾ lower, May $1.79 ¼-1.79, oats ¾-1 ⅛ lower, May 77 ⅜-¾, rye ¾-1 ¼ lower, May $2.00, soybeans 1 ½ lower to ¼ higher, May $2.87 ¼-2.87, and lard unchanged to 7 cents a hundred pounds lower, May $11.00.

Couple Freed In 'Kidnaping'

A charge of kidnaping, filed at Hawthorne, Nev., against Mr. and Mrs. Francis F. Sharkey probably is to be dismissed, according to word received by the District Attorney's office here.

Mr. and Mrs. Sharkey were arrested at Fort Klamath Thursday at the request of Nevada authorities, and held in the County Jail until late Thursday night when they were ordered released by George Proctor, serving as District Judge temporarily.

Proctor ruled there was not enough evidence to hold the couple.

They were accused in the Hawthorne charge of taking a 4-month-old girl out of the state. The child, Tamara Michele Powell, was brought to Fort Klamath, where the Sharkeys were working on a ranch, and is held now in the Juvenile Home.

Th baby's mother, Mrs. Nadine Powell Moore, was reported to be en route to Klamath Falls today, and L. E. Blaisdell, prosecutor at Hawthorne, said the charge was to be dismissed.

The Sharkeys told officers here Mrs. Moore had given them the child to keep temporarily, and that they told her they were leaving Nevada to look for work elsewhere. They left Hawthorne April 12.

Last week they wrote Mrs. Moore from Fort Klamath telling her the baby was all right. Mrs. Moore apparently filed the kidnaping charge when she learned where the Sharkeys were staying.
