

EARL OF RICHMOND—That's Earl Turner, sensational Richmond, Calif., middleweight who faces Indian Dick Wolfe in Friday night's main event at the Armory. Turner has faced some of the best in his day, including Sugar Ray Robinson.

Turner Picked Friday

Klamath Falls gets the little pugilist from Portland when Earl Turner squares off against Indian Dick Wolfe Friday night at the Armory.

Ezzard Charles and Joe Kahan got the headlines, Turner and Wolfe the raves on a recent Portland fight card.

Wolfe and the Earl of Richmond battled eight furious rounds in the semi-windup to the Charles-Kahan fight.

Turner beat Wolfe in a close fight. Ever since National Boxing Club promoter Tex Sakeld has aimed for a return match for Portland fans.

But Klamath Falls Promoter Mork Lillard got there "fused" with the "rugged" and now local ring followers are being offered the attractive second chapter of the feud.

UNDERDOG
Wolfe will be in the unfamiliar position of underdog in his match with the Richmond, Calif., Negro.

Turner is 30 years old and carries fistic savvy that dates back to fights with Sugar Ray Robinson, George Costner, Bernard Doucens, Carl Olson, Freddie Apostoli and J. T. Ross.

In recent months, Turner has stopped Jimmy Langston and Jimmy Merrill in Vancouver B. C.

Both Merrill and Langston checked out on the business end of the same punch, a paralyzing left hook to the solar plexus.

Ralph Weiser, on two convincing wins in the past month, returns to the semi-windup spot. The Beatty Bomber also may be taking on more than he can handle.

BEAT GILMAN
He faces Seattle lightweight Blackie Vanderveer in the six-round semi. Vanderveer counts among his victims Buddy Gilman and Joey Ortega. Gilman stopped Weiser a couple of seasons ago here, but had to climb off the deck three times.

The special event—also a six-rounder—puts Sockin' Stan Virgins of Merrill against Jimmy Murphy, Wolfe's stablemate.

Both Murphy, a Portland logger, and Virgins hold two-round knockouts over Battlin' Billy Sunday.

Lillard said two four-round preliminaries would complete the card. The matchmaker is pulling all strings to make Friday's card even better than the "rock 'n' sock" show of April 18.

The three top bouts point up to a program that should bring out the SRO sign.

SPORTS in BRIEF

Only one member of the 27-man baseball roster for Duke University hails from the state of North Carolina where the college is located.

Bill Reed, rookie infielder for the Boston Braves, was the Wisconsin state tennis singles champion in 1939, '40 and '41.

The smallest baseball park in the National League, as far as seating capacity is concerned, is Crosley Field, Cincinnati. It holds 30,000.

Pete Poore, sophomore member of the Duke University golf team, hails from King of Prussia, Pa.

The victory made him the only twirler besides Seattle's Charley Schanz to win four games this season and hoisted his strikeout mark to 34, second only to the 38 posted by Elmer Singleton of San Francisco.

Fletcher limited the Seals to four hits and was in trouble only in the fourth, when San Francisco with one away, loaded the bases on singles by Joe Grace and Ray Oring and a walk. But Fletcher (named Jim Moran and Pucher Singleton grounded out to retire the side.

Sacramento has Hollywood Catcher Mike Sandlock to thank for its 8-5 win. One of the circuit's finest backstops, he tossed a wild one while trying for a double play at first base, allowing the Seals to score three runs in the eighth inning.

At Oakland, right-hander Al Gettel survived a wild bases-loaded, none-out ninth inning as the Seals' finest backstop, he tossed a wild one while trying for a double play at first base, allowing the Seals to score three runs in the eighth inning.

Seattle spoiled Los Angeles' homecoming when Clarence Mad-

B.F. Goodrich Tubeless Tire

Seals Punctures, Protects Against Blowouts ...

NOW DEFIES SKIDS TOO!

FIRST ANSWER TO ALL THREE TIRE HAZARDS

SEALS PUNCTURES—A gummy layer of special rubber under the tread seals against the puncturing object, plugs the hole permanently when the object is withdrawn.

PROTECTS AGAINST BLOWOUTS—It has an air-retaining lining that's part of the tire itself. If a bruise occurs, the tire's flexing eventually causes pin-hole leaks in this lining. Instead of a dangerous blowout, all you get is a slow leak.

DEFIES SKIDS—In rain the new tread wipes a wet road so dry you can light a match on it, grips for quick stops. Starting up it grips like a caterpillar tread. The close spacing of the "grip-blocks" does it.

New tread wipes a wet road so dry you can light a match on it. This new B. F. Goodrich tire may save your life, can save you trouble, will save you money! Come in today and put a set on your car—see the tire that earned the name "LIFE-SAVER."

You can purchase on our EASY BUDGET PLAN if you desire!
