

U.N. Forces Hit Enemy With Bombs, Artillery

By WILLIAM C. BARNARD
SEOUL, Korea (AP)—United Nations forces hit the Communists in Korea with artillery, planes and naval guns on this May Day.

One Russian-made MIG 15 jet was damaged in a 15 minute aerial duel between 31 Sabre jets and 20 MIGs over North Korea.

Excited for light patrol contacts Communist infantrymen stuck close to their bunkers.

Big guns blazed along the West-

ern front in an explosive duel, and rattled the Allied truce base at Munsan.

At the other end of the 155 mile front the Battleship Iowa blasted Red artillery positions 16 miles inland with her 16 inch guns.

Her round-the-clock bombardment was supported by the Destroyer Bole. The Navy said the Iowa hit the Reds with 1,000 tons of explosives in April.

The U. S. Destroyer Fox duelled with Red shore batteries Wednesday. The Navy said the Fox scored several direct hits with 200 rounds, but the closest the Reds could come was 200 yards from the Fox.

The Fifth Air Force sent its planes out in force in the May Day sunshine and added up its total for April.

It reported Allied pilots shot down 41 Russian-type MIG-15 jets during the month, probably destroyed nine and damaged 44. Thirty-eight Allied planes were lost from all causes.

The U. S. Eighth Army reported its ground forces inflicted 2,116 casualties between April 22 and 28. That is average for the twilight war. The Red casualties included 877 killed, 1,252 wounded and 27 captured.

Two American warships returned to action. The anti-aircraft Cruiser Juneau, first U. S. ship to fire on the Reds in the Korean War, supported U.N. front line troops on the east coast. The Aircraft Carrier Bataan came back with the Marine checkerboard squadron for a second tour of action.

SGT. THOMAS L. TAYSON, 20, son of Mr. and Mrs. A. L. Tayson, 2440 1/2 White, has left Korea for the U.S. after a year's service there. He was one of the first in the California National Guard to be called. His family moved here recently from San Diego. Sgt. Tayson plans to stop in Seattle and visit a brother, George, serving with the Navy.

Crucial Truce Talk Friday

MUNSAN, Korea (AP)—Truce negotiators scheduled a crucial session Friday to hear the Communist reply to the United Nations package proposal for reaching a Korean armistice.

The Reds Thursday asked for the full dress session after studying the secret Allied plan three days.

There was no indication whether the Communists would reject, accept or make a counter proposal.

Blocking progress in the nearly 10 months old negotiations were the issues of prisoner exchange, Russian participation in an armistice and rehabilitation of military airfields during an armistice.

Brig. Gen. William P. Nuckols, U.N. command spokesman, said the Communists announced they were ready to meet at 11 am. Friday (7 p.m. Thursday PST).

It may be the decisive contention of the lengthy truce talks.

After receiving the package proposal Monday in a secret session of top negotiators, the Communists asked for a recess to study it.

The package proposal is understood to make a sweeping solution to three remaining unsolved problems.

If the Communists follow their usual conference table tactics they will come back with a counter proposal.

Tribe Council To Eye Suits

KLAMATH AGENCY — Members of the Klamath Indian tribe are called to a general council meeting at Klamath Agency Thursday, May 8, to discuss several matters, including lawsuits totaling some \$30,000.

The lawsuits involve an old claim of the Forest, Algoma and Lamm lumber companies. The tribe is to consider contracting an attorney to represent the tribe in defense.

Other matters on the Council agenda:

Proposal to spend some \$35,000 of tribal funds for additional fire-fighting equipment. According to T. W. Sanders, chief clerk at Klamath Agency, during the current fiscal year administrative savings in the regular tribal budget have accumulated and if the Council wishes to purchase the equipment it would not entail further withdrawal of tribal money from the U.S. Treasury.

Cancellation of 10 Christmas tree contracts.

Application of McCollum Lumber Company for extension of time on a timber contract.

Study of the form of contract on the proposed Loma Creek No. 1 logging unit. The contract is for proposed sale of timber, and there may be as much as 50,000,000 board feet of timber in that unit.

Enrollment matters.

Consideration of a July per capita payment. General policy is to hold the summer per capita payment down to \$150.

The council session is scheduled to start at 10 a.m., and a lunch will be served at 11:30 a.m.

New Law Each Day in U.S.

WASHINGTON (AP)—Every day for the past 163 years, Congress has passed at least one new law. On the average, it hasn't even taken time off for Saturdays, Sundays or holidays.

In all, 70,124 laws have been written into the statute books between March 4, 1789 and Jan. 3, 1952—roughly 430 a year.

That interesting bit of information—starting, no doubt, to those doubters of congressional diligence—was laid before his colleagues Wednesday by Rep. Mack (R-Wash.).

He got it from the Library of Congress' legislative reference service at the request of a constituent.

More than half this legal gold mine—39,073—were private bills, dealing largely with the relief of specific individuals. But the 31,052 public laws—those of broader application—still averaged out at better than one every other day.

The nation's first lawmakers, Mack said, apparently didn't get into the swing of things.

The first Congress (1789-1791) passed only 94 laws. The next one passed only 64. Not until the days of Abraham Lincoln did a single Congress pass more than 200 laws in a two-year session.

By contrast, the 81st Congress (1949-1950) rolled through 2,024 public and private bills for President Truman's signature.

Life Sentence For Killer

OREGON CITY (AP)—Elmer Dorsey Williams, convicted of beating a 68-year-old man to death, was sentenced Wednesday to life imprisonment.

He was found guilty of second-degree murder for the death of Jolmar Tarkka in Portland Jan. 16.

Mrs. Bonnie Kuhnhausen, accused of being Williams' partner in the crime, will go on trial in July on a first-degree murder charge.

Water Hazard Aids Golfers

NEWPORT, Ore. (AP)—The Akate Beach Club water hazard finally did the golfers some good here Wednesday. It helped put out a fire, although not until much of the clubhouse was destroyed.

Manager Ed Harris, estimated the loss at \$25,000, part of it covered by insurance. The upper floor was destroyed, the lower floor damaged by water.

Firemen from Newport emptied their portable tanks in about 10 minutes of fire fighting, and stood helplessly watching flames sweep through the club house.

Then the Toledo Fire Department arrived, and hose was laid 2,000 yards to the only available source—the water hazard. The blaze was brought under quick control then.

GOP Women Name Officers

CHLOQUIN—Mrs. Walter Zimmerman is the new president of the Wood River unit, Oregon County of Republican Women. She succeeds Mrs. Ray Loosley of Fort Klamath.

Mrs. Cyril Cook of Klamath Falls was chosen vice president, succeeding Mrs. William Lorenz. The offices of secretary and treasurer were combined, and Mrs. Fred Merkwardt chosen for the job.

Various county candidates for public office attended a recent meeting of the group at the home of Mr. and Mrs. William Lorenz.

A project to raise funds for the national GOP program is to get under way this month. Mrs. Gerry Wolf heads the finance committee, with Mrs. Vernon Norval and Mrs. Lorenz assisting.

Water Hazard Aids Golfers

WASHINGTON (AP)—The Agriculture Department bought an additional 13,700,000 pounds of pork products Wednesday in an effort to boost hog prices.

PORK PUSHED

WASHINGTON (AP)—The Agriculture Department bought an additional 13,700,000 pounds of pork products Wednesday in an effort to boost hog prices.

Water Hazard Aids Golfers

NEWPORT, Ore. (AP)—The Akate Beach Club water hazard finally did the golfers some good here Wednesday. It helped put out a fire, although not until much of the clubhouse was destroyed.

Malin 'Cubs' Win Awards

MALIN—The monthly meeting of Pack 33 Malin Cub Scouts and their families was held April 25 at the church.

With an Indian ceremonial, David Shaffner and Kenneth Fairbro were admitted as new cubs.

Awards were presented to the following boys: Wolf Rank, Donnie Stastny; Gold Arrows to Jimmy Petrask, and Dennis Kolina; Lion Silver Arrow to Edwin Stastny; second year service star, Gary Halousek; first year service star, Kirby Wilson, and the Boy Scout degree was conferred upon Stanley Petrask.

As the March program included the growing of things, each Den brought a growing exhibit.

Den Mother pins were awarded to Mrs. Louise Kolina and Mrs. Paul Mullanik.

At the close of the meeting, refreshments of ice cream and cookies were served.

Cub Master Ed Stastny announced that inspection would be held at the May meeting.
