# Owls Blank Shasta 11-0

## Keaton Twirls 3-Hitter

The southpaw slants of Shasta Junior College Pitcher Don Goodykoontz were much easier to solve than his name is to pronounce and today the Oregon Tech Owls hold a 7-6 season record—and Pitcher Don Keaton holds an 11-0, three-hit shutout.

Goodykoontz faced the Owls just one and one-third innings yesterday at Recreation Park. In the first time the Owls pounded out seven hits, good for six runs.

First-baseman Mickey Risberg traded positions with Goodykoontz over mound duties, to Risberg.

Keaton had a no-hitter cooking through four innings. But in the fifth, leadoff Lou Ghiglieri, a pinch-hitter, banded a single.

Shasta got two more hits, one each in the sixth and seventh, but Keaton's shutout.

The Owls got everything in the first frame—a leadoff single by Larry Jeter, a 410-foot home run by Don Foreman, a double by Wayne Paulsen and a triple by Jack Brown—to cash in with three runs.

Don Barnes doubled, Keaton singled and Chuck Tykeson, playing right field, doubled in the second before Goodykoontz handed over mound duties to Risberg.

PLUNNY LEAD—But Querino Leih touched Risberg for a single and the Owls held a 7-0 lead.

Every Orelacher but pinch-hitter Jim McIntosh hit safely as the Owls collected 12 asstetys. Tykeson led with two singles and a double in four trips.

The Owls meet Shasta under the Redding lights Friday night in a return game.

Line score:  
Shasta 000 000 0-0 3 4  
Oretech 340 130 x-11 13 2  
Goodykoontz, Risberg (2) and Arnold, Keaton and Brown.

Bonneyman, Riverside Undefeated

Cal Conroy's Mills softball team and Riverside are the only unbeaten teams left in the Class A double elimination softball tournament.

Mills Number 1 team cooked up a last-inning rally yesterday to nip Fairview, 6-5; Riverside beat Mills Number 2 team, 6-2.

In other games, Pelican eliminated Roseville, 13-12, in an extra inning and Fremont sidelined Conner, 13-1.

## Vancouver Nips Tyees In Marathon

By The Associated Press  
It took Vancouver 13 innings to subdue Victoria's Tyees in Monday night's only scheduled Western International League baseball game.

Don Lundberg's pinch-hit single in the last of the 13th gave the Caps a 4-5 margin and exclusive rights to fourth place in the standings.

It was only the third loss of the two-week-old season for league-leading Victoria and left the Tyees still one game in front of Spokane.

Victoria, held scoreless the first six innings, tied the game 5-5 in the top of the ninth. Lundberg's single in the 13th drove in Jess Williams with the winning run.

Victoria and Vancouver play again Tuesday night at Vancouver, while Spokane opens a three-game series at Lewiston, Tri-City visits Wenatchee and Salem travels to Yakima.

## UMPIRE ROBB QUILTS

CINCINNATI (AP)—"The Mystery of the Resignation of Umpire Scotty Robb" was the National League's "Best Seller" Tuesday.

Robb a senior loop arbiter since 1947, sent League President Warren Giles a terse note Monday that he was quitting "as of today."

Neither he nor Giles offered any explanation but the gossip immediately went back to the night of April 22 when Robb and Manager Eddie Stanky of the St. Louis Cardinals got into a ruckus in a game here because Robb had ordered Solly Hemus of the Cardinals out of a game.

They did some shoving around of each other and Giles happened to be in Crosley Field to see it.

The next day Stanky was fined \$50. Hemus \$25 and Giles said Robb was "disciplined" and fined a sum "much greater than the combined fines of the players."

Everything seemed to be reasonably peaceful after that until Robb's sudden resignation Monday.

Statements issued by both Giles and Robb did little to clear the mystery of why the arbiter suddenly decided to give up his job—just after he had finished working a series here.

## Robinson, Maxim Sign For June 23 Title Go

NEW YORK (AP)—Does Sugar Ray Robinson rate with Super-champs like Bob Fitzsimmons and Henry Armstrong?

Boxing fans will get the answer June 23 at Yankee Stadium when Robinson, former welterweight champ and current middleweight king gets a crack at Joey Maxim's light heavyweight crown in a 15-round bout.

If Robinson succeeds, he will become the third man in history to hold three division championships. Fitz won the middle, heavy and light heavy in that order. Hammering Henry held the feather, light and welter titles simultaneously.

Robinson, playing the reluctant dragon, finally broke down and accepted the Maxim match Monday, according to Jim Norris, International Boxing Club President.

Norris estimated it would draw "from \$50,000 up." Jack Kearns and George Gainford immediately dissented. "It'll do a million" the fight managers said in chorus.

## Pitching Dominates PCL Baseball Chase

By The Associated Press  
Hitting the ball seems to be of secondary importance so far this season in the Pacific Coast League.

In fact, the league leading San Diego Padres—with a three and one-half game edge on the field—are fifth in team batting with .340.

The second place Oakland A's are resting in the seventh inning spot with a punier .284.

Sacramento, which ranks dead last in the standings, eight and one-half games off the pace, averages better than San Diego and Oakland in team batting with .249.

The top club in hitting, Seattle, currently reposes in a tie for fifth place with fewer wins than losses. Seattle has 263 followed by Los Angeles 261 and Hollywood 253.

CHANGES  
There may be changes with this week's set starting Tuesday night.

as San Diego pays host to Sacramento. Portland plays at Seattle. Los Angeles travels to Oakland and San Francisco tangles at Hollywood. But chances are, the race will continue to be dominated by the pitchers.

Three hurlers—Willie Luna, Sam Lingo's Rookie left-hander, Hal Gregg of Oakland, and Larry Shepard, Hollywood newcomer—have all won four games without defeat. Charlie Schanz of Seattle has won the most games—five—but has lost two.

As for the batters, Clint Conatser, Portland outfielder, climbed 22 percentage points to go into a tie for the league batting lead—while his team was losing six of seven games to Oakland last week.

Conatser and Joe Grace of San Francisco—whose team dropped five of seven to San Diego—each hit .333.

Max West, the slugging Los Angeles outfielder and first baseman, hoisted his home run output to eight with four the past week—and lifted his average 10 points, but the Angels dropped five of seven to Seattle.

Your nearby Chrysler dealer invites you to stop in for a most revealing demonstration ride in the best-engineered car in America. See your nearby Chrysler dealer soon. Drive the most talked-about car in America today and learn the difference...

The difference in FirePower—180 HP, the most-talked-about new engine today. You've simply never felt so much surging power. You've never had so much in engine performance per gallon either. For FirePower is the most efficient, most economical powerplant ever put in an automobile. You've just got to drive it to believe it.

The difference in full-time power steering with hydraulic power doing 4/5ths of the work of turning the wheels. Even the distance the steering wheel must turn has been reduced by more than one-third. Chrysler power steering works all the time to give amazing effortless control in traffic, on rough roads or in tight parking spots. On long trips it means wonderful new freedom from arm or shoulder strain.

The difference in Chrysler Power Brakes, for gentle, jolt-free, on-a-dime stops at any speed... with as little as one-third your normal braking pressure! Never before has so much power been so easy to control. Never before has such a fast-driving car given you such a wonderfully relaxed feeling of safety.

The difference in Oriflow riding comfort. The new Chrysler's Oriflow Shock Absorber gives you an unbelievably smooth ride under all road conditions... soaks up even the roughest bumps... provides twice as much protection against unexpected jounces. You've never felt such comfort in any car—regardless of make, model, power, or price!

The difference in the way you feel when you take the wheel of the 1952 Chrysler just can't be described in words or pictures. You just have to try this great new automobile to discover the new joy of driving the finest car ever made. That's why we want to urge you, again, Drive a Chrysler and Learn the Difference!
