GRAINS

CHICAGO — A closing rally in wheat gave grains a better tone at the finish of Tuesday's board of trade session. May wheat had shown some independent strength early in the trading, but until near the finish deferred contracts had lagged.

Announcement by mills of higher flour prices brought in some short covering in the last half hour. Family flour will be advanced 10 cents a hundred pounds Wednesday and cake flour was upped 15 cents Tuesday.

At the finish wheat was 1/4 to 1/2 higher than Monday's close, May \$2.47 1/2; corn was 1/2 lower to 1/4 higher, May \$1.80 1/2; oats were 1/2 lower to 1/4 higher, May 79-79 1/2; soybeans were 1/4 to 1/2 higher, May \$2.57-96 3/4; lard was unchanged to 12 cents a hundred pounds higher, May \$11.30.

Fire Damage In Thousands

MERRILL — Between \$50,000 and \$60,000 worth of damage resulted from a Monday afternoon fire that destroyed a giant barn on the Adams Point ranch, operated by Louie Lyon, Malin.

Cause of the fire was not determined, although it was believed to have started in oily debris around a diesel motor that operated a feed mixing mill.

Only about \$17,000 worth of insurance was carried.

LOSS
The loss included some 350 tons of baled hay, a tractor, \$6,000 worth of potato fertilizer, a combine, a digger, hay loader and elevator, two wagons and a quantity of mixed feed and feed mixing equipment.

The hay was stacked outside the barn. It was partly owned by Lyon and Stewart Nicholson of Fort Klamath, who had been feeding some 300 head of cattle there, in addition to Lyon's cattle.

Two trucks from the Merrill Fire Department were sent to the scene and were later joined by fire-fighting equipment from Malin and Tulelake. The Malin truck stayed through the night to keep the fire from breaking out again. Stacks of hay blazed through most of the night.

WATER
The fire broke out about 12:45 p.m., and a ditcher turned a big head of water into a ditch running near the barn for the fire equipment to pump from. That probably saved other nearby buildings of the ranch.

The bunkhouse adjacent was saved although its roof was burned in several spots.

City Manager Plan Booted by Panel

fund voted by citizens. About \$50,000 is left over for further development and expansion of the park—being held up because the state highway department hasn't indicated its plans for West entrance to Klamath Falls and because more lake frontage is to be purchased. Some improvements at that park are slated for this spring.

LOUNGE
The community lounge was plugged by Mrs. Lee Holliday who noted a continuous increase in the use of the present lounge, with about half of those using it from the city, the rest from the county. The city has budgeted \$1,000 for the past year's operation, the county \$4,000. City voters turned down a levy to help the lounge in the last election. Mrs. Holliday said it would cost about \$5000 a year to operate the lounge.

Municipal swimming pool levy to raise \$150,000 in seven years; Dr. Adams—City health and recreation is one of the most important things to be considered. There were 26,624 swimmers at the OTI pool last summer. The new pool would be only an initial investment which should be self-sustaining.

Bill DePew—The levy would take only 75 cents a year from property owners with a \$50 tax bill to the city annually. "Only a small item in our budget." Pool operated at proposed site would cost \$2800 less than OTI pool did last year.

LIFEBOAT HOISTED ABOARD WASP—A lifeboat with three oil-covered survivors of the USS Hobson is hoisted aboard the carrier Wasp after the men were saved in the mid-Atlantic following the April 26 collision of the two ships. The survivors in the lifeboat are Von D. White of Elkland, Mo.; Harry K. Manning of Charleston, S.C., and Russell L. Archer of Point Pleasant, N.J., along with five crew members of the Wasp. BPW Elects New Officers

Beth (Mrs. T. C.) Griggs is the new president of the Business and Professional Women's Club. She succeeds Mrs. Edna (Emil) Albrecht.

Mrs. Griggs was the unanimous choice of the membership at Monday night's dinner meeting at the Willard Hotel.

Serving with her will be Inogene Boothby, first vice-president, Della Records, second vice-president, Alice Jarvis, corresponding secretary, Lillian Oterberg, recording secretary and Nell Stewart, treasurer.

Eight delegates, Mrs. Griggs, Coral Sabo, Imogene Boothby, Ellen Upp, Nell Stewart, Ruth King, Della Records and Lorraine Quillan were elected to attend the state convention convening here this weekend. Alternates are Dorothy Lowell, Helen Moss, Vada Schmeck and Lillian Rossion.

Della Records spoke on the retirement plan for women and the subject was further discussed by Edna Russell, retired teacher. Dena Backes spoke on insurance.

An evening board meeting is scheduled for the home of Dorothy Lowell, May 12.

Mary Bothwell will be in charge of registration for the convention, starting at noon Friday at the Willard Hotel. Tickets will be sold at that time for both banquets Friday and Saturday nights and the breakfasts.

Registration fee for convention delegates will be \$1, for visiting BPWs, 50 cents.

Warren Says Foes Unfair

(Continued from Page One.)

pay for major illnesses which otherwise might take all a person's savings and leave him strapped by debt for years.

The fund would be administered along the lines of state industrial accident compensations and would not disrupt any patient-doctor or patient-hospital relationships.

But, said Warren, the criticism of the plan, led by California medical groups, has been very unfair. It has been labeled socialism, without any consideration of human needs.

BASIS
The plan, he says, stems from a depression-time report of a committee set up by then President Herbert Hoover, which declared that something of the sort eventually would be necessary.

Back in 1935, Warren declared, the medical profession of California tried to get legislation through setting up a very similar system of pre-paid health insurance, but at that time the doctors wanted 5 per cent payroll deductions, and 1 1/2 per cent from employers.

The bill didn't pass.

At that time, Warren said, back in 1935 the shoe was on the other foot. Doctors were having to do a lot of work for which they weren't able to collect. They wanted their pay assured. Now, the economics of the profession has changed so that they aren't having to do so much charity work, so the plan is socialism.

Young Driver Draws Fine

MERRILL — A Medford high school boy, 17-year-old Delmer Lavern Barnard, was fined \$1 and \$4.50 costs here in Justice Court Monday on a charge of passing with insufficient clearance.

He was arrested following an accident a mile east of Merrill on Oregon 39 in which his car crashed into the back end of another vehicle operated by Maude Elaine Christiansen, also of Medford.

State Police said Barnard attempted to pass the Christiansen car but an oncoming truck forced him to pull back and hit the second car.

Four high school youngsters were in the car with Barnard.

Minnows Bring Man's Arrest

Charles Victor Swanson, 67, of 1449 Willford, posted \$30 bail Tuesday in District Court on a charge of fishing by prohibited methods.

Doctor were having to do a lot of work for which they weren't able to collect. They wanted their pay assured. Now, the economics of the profession has changed so that they aren't having to do so much charity work, so the plan is socialism.

TO HOSPITAL
Mrs. Elizabeth Victoriana 81, was brought to Hillside Hospital Tuesday morning by Kaley's ambulance for medical care. She was reported in a coma.

Police Recover Stolen Car

A car reported stolen from Portland last Friday was recovered Tuesday morning on market road off U.S. 97, near Chiloquin. State Police reported.

The car, a 1947 Chevrolet, was registered to Mrs. Edith B. Salkeld of Portland. It appeared to be in running condition when found abandoned.

"Miracle Drug" say SURIN Users

Pains of Arthritis, Rheumatism, Neuritis, Lumbago, Bursitis... Relief Can Start In Minutes

There's no internal dosing with SURIN. Nothing to swallow and wait anxiously for relief. You simply apply SURIN right at the point of pain and blessed relief starts as penetration beneath the skin gets under way. Of course there's a reason for this wonder-working new external fast pain relief medicine.

It's methacholine, a recent chemical born of research in a great laboratory. It acts speedily to aid penetration of SURIN's pain-quelling ingredients. Methacholine also causes deeper, longer-lasting pain relief and increased speed-up of local blood supply.

Tested on chronic rheumatism in large university hospital it brought fast relief to patients and in home-for-the-aged 77%. Totally different from fashionable rule and formula, modern SURIN brings faster relief, longer without burning or blistering, without unpleasant odor or grease. Simply smooth on SURIN at the point of pain and feel pain ease in minutes. Money-back at your drug store if SURIN doesn't relieve your pain faster and better than anything you've ever used. A generous jar costs \$1.25. SURIN is not a cure for any of these conditions.
