WSB Chairman Warns Against Authority Cut

WASHINGTON (AP) — Nathan P. Feinsinger told Congress Wednesday a rash of serious strikes and industrial "chaos" may result if Congress strips the Wage Stabilization Board (WSB) of power to dispute.

Another Atom Bomb Popped

LAS VEGAS, Nev. (AP) — An atomic blast, touched off from a tower at the Yucca Flat test area, brilliantly lit up the pre-dawn sky Wednesday.

Feinsinger, chairman of the WSB testified at the house labor Committee's investigation of his agency.

Only Tuesday Charles E. Wilson, former mobilization chief who resigned in protest against administration handling of the steel labor case, had suggested to the group that the wage board's powers should be trimmed down.

Wilson asserted that the WSB went far beyond stabilization policy in its recommendations for a wage rise for steel workers. Disputing that, Feinsinger said the board's recommendations were fair and were consistent with wage increases negotiated voluntarily in other industries.

Carole Warner and Joan Juckeland were "crowned" with the traditional printers' caps as editors of the El Rodeo and Krater, respectively, last night at the annual Publications Banquet. Attended by all the members of the two staffs and their guests, Mr. and Mrs. Mac Epley Jr., Mr. and Mrs. James Brown and Mr. and Mrs. Jake Hviendahl, the banquet was held in the Empire Room of the Winema Hotel. Retiring editors Lyn Perkins and Beth Cunningham made the presentations. Mr. Hviendahl introduced the new staff's naming those to hold the positions for next year.

US Carriers OK "A" Bomb

WASHINGTON (AP) — Vice Adm. John F. Cassidy said Tuesday that American carriers now have airplanes which can carry atomic bombs "up to the largest size produced any place in the world."

Portland Area May Get Flood

PORTLAND (AP) — A routine spring flood warning for the Portland-Vancouver area was issued Tuesday by the Weather Bureau, as the spring runoff increases on the Columbia River.
