GRAINS

CHICAGO (U) — Grains headed downward from the outset on the board of trade Wednesday and never were able to work themselves into a rally. Losses weren't large and trading wasn't active. Moisture in parts of the mid-west and northwest was one reason for the sell-off. Another was some disappointment at the lack of a more aggressive flour business to develop. Switzerland bought 9,000 tons of sprays wheat and Austria took slightly more than six million pounds of refined lard. Wheat closed 1/4-1/2 lower, May \$2.46 1/2-1/2, corn unchanged to 1/2 lower to 1/2 higher, May 79 1/2-1/4, rye 1 1/2-2 1/2 lower, May \$1.96 1/4, soybeans unchanged to 1/2 lower, May \$2.96-2.95 1/2, and lard 10 cents lower to 3 cents a hundred pounds higher, May \$11.25.

Stores Plan Armistice Day Observance Hours

A policy of stores keeping open on Armistice Day, Nov. 11, but closing between 10:30 and 12:30 in observance of the day's activities was adopted by the Klamath Merchants Association. The group, meeting for breakfast at the Wilhema Hotel Wednesday morning, took this action after conferring with veterans groups and school authorities. It is anticipated that the annual Bend-Klamath high school football game will be played Friday evening before Armistice. Closing from 10:30 to 12:30 will allow all to attend the downtown veterans Day program, it was pointed out. It was announced that John Humphrey had been appointed chairman of Fourth of July activities by Carl Sparks, merchants promotion manager. Sparks was instructed to call a committee meeting to work out Tuesday Red Hot Values program. Considerable discussion was held on taxation problems by the tax committee headed by Ed Bell, Keith Moon, N. B. Drew and Rudy Jacobs. It was pointed out that the County Board of Equalization will convene May 12.

Annual Spring Concert Set

The annual Klamath Union High School orchestra will be presented Friday evening in the school auditorium featuring the school orchestra under the direction of John Drysdale. The orchestra—one of Southern Oregon's finest and sporting a superior (No. 1) rating from the district festival—consists of 60 members. It was the only orchestra receiving the top rating given at the Medford festival. At that time judges remarked that the orchestra was the finest high school orchestra heard in Oregon this year. Boys and girls glee clubs will present numbers in concert for the first time this year. LaMar Jensen directs the girls, Don McKenzie the boys. A small admission will be charged and tickets are to be sold at the door.

Trial Checks On Abortion

PORTLAND (U) — The trial of a Portland naturopath, with four of her former employees of operating an abortion clinic, resumed here Wednesday. The prosecution opened its case Tuesday against the woman naturopath, Mrs. Ruth Barnett. A statement taken from Mrs. Edith Weigar—one of the defendants—shortly after the clinic was raided last summer, was read. In it, Mrs. Weigar, who the state contends was the receiptist at the clinic, said she did not keep records of patients' names or addresses. She said the clinic handled about six patients a day. The five defendants also are charged with manslaughter by abortion. They have not yet been brought to trial on that charge. They all have pleaded innocent to both charges.

WEATHER OBSERVED CASCADE LOCKS, Ore., (U) — The weather bureau has trained a housewife as a weather observer. She is Mrs. Billie Burke and she phones in the weather six times a day from her home near a wharf here. She will fill in the log in weather reports caused by the closing of the service at Stevenson, Wash., across the river.

MOUNTAIN LION KILLED PORTERVILLE, Calif. (U) — With the aid of three dogs, a hunter treed and killed a 150-pound mountain lion in the Eshom Valley recently. The dogs followed the scent for three miles in a hunt lasting five hours. The big cat measured 8 feet 2 inches from nose to the tip of his tail.

Truck, Car Hit, No Injuries

No one was hurt Tuesday in a truck-car accident on U.S. 97 a mile south of Williamson River. A 1950 Plymouth coach driven by Mrs. Ruth Johnson, 2835 Ward, was struck by a 1947 GMC truck operated by Charles T. Boyd, 723 1/2 Grant. State Police said both vehicles were traveling north and the truck apparently started a left hand turn. The truck hit the right side of the car.

Man Travels, Not Missing

An elderly man reported missing Tuesday afternoon was just taking himself a little trip to San Francisco. He is Fred Myer, 68-year-old pensioner, who lives at the home of his daughter, Mrs. Rose Hermant, 4626 Douglas. Tuesday shortly before noon Myer left the house, saying he was going for his daily walk. He didn't come back. Late in the day Mrs. Hermant reported to Sheriff Murray Britton that her father was missing and a radio alarm was broadcast over KFLW, giving his description. Ray Roper, Southern Pacific ticket agent, remembered the man as having bought a ticket for the Bay City on the Shasta Daylight, and notified the Sheriff's office. A phone call to San Francisco police put officers there at the depot to meet the train, and Myer was aboard a hotel room was obtained for him, and he called his daughter to let her know he was all right.

Ashbee Heads Park Board

BONANZA — Rev. Gordon Ashbee was selected president of the board of directors of Big Springs Park here last night. Lloyd Hankins was named vice president. Mrs. Lillith O'Connor secretary, Mrs. Irene Hartley treasurer, and new directors, Lewis Van Site and Roy Wardfield. The park has recently been seeded to grass, and Jack Kelly's sprinkler system set up for use when necessary. However, a car ran across two lengths of the system, destroying 600 worth. Dale Cramer is irrigator for the park, and Scott Nurseries, Malin, is to supply shrubbery at cost. Most of the work on the park to date has been donated free of charge. Next project in the park development project is a fence to be built probably later this season.

Festival Set For Tomorrow

A Latin-America fiesta program including colorful skits, a puppet show, musical number, and folk dances will be presented tomorrow, 2:30 p.m. (PST) in the gymnasium by 150 Sixth Grade students of Altamont Junior High School. The program culminates this year's social studies. Displays of Latin-America crafts will be on display in the individual rooms. Instructors assisting with the program are sixth grade teachers, Mrs. Elsie Burton, Mrs. Eva Liskey, Mrs. R. E. Quick and Mrs. Harold Burritt, physical education instructor, Janet Frye and music instructor Mrs. Henry Moore. Mrs. Ronald Phair, mother of a student is also assisting with the dance numbers. The Fifth Grade students will entertain with a program on Friday, an all day session planned by Mrs. Margaret Lavin, fifth grade teacher. The morning program will be planned around a reading program in the school "Then And Now." Exhibits in the room will further carry out the theme. Parents will be guests at lunch and a musical presentation carrying out the Mother's Day program is planned for the afternoon.

Square Dancing Class Tonight

The public is invited to tonight's square dance class at Fremont school which will feature Dave Clavner, partner to famed square and folk dance caller Les Gochler. YOUR WEED PROBLEMS

Experiences of the past few years have demonstrated the economical effectiveness of chemical weed control in practically every branch of agriculture. Dow has developed a variety of control chemicals for nearly every weed problem. Esteron 44 & 2,4 Dow Weed Killer Formula 40 were especially formulated for the control of weeds in grain and grass crops and in pastures. Esteron Brush Killer not only aids in clearing new acreages but prevents the encroachment of line brush and weeds into valuable crop lands and pastures. TCA 90% is a valuable help for the elimination of quack grass, Bermuda and Johnson grasses and other obnoxious weeds occurring along roadsides, fence rows, irrigation canals and drainage ditches or canals. Non-poisonous to feeding livestock and no long time sterilization. Dow Lindane 25% Wettable is worthwhile as a year 'round control for flies and other insects in dairy barns, creameries and similar farm buildings. Economical because one spraying is effective for 6 weeks. It controls lice and mange mites on dairy cattle and other livestock. THE DOW CHEMICAL COMPANY SEATTLE SAN FRANCISCO LOS ANGELES

check and double check It makes each drop of gas say uncle Then it's fired. And when that happens, a drop of gasoline certainly lets loose power. This isn't something that happens in a "car of the future." It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name. And it puts extra power under the hood —and extra miles in the fuel tank in the gas tank. Now, power is great, but what goes with it? Mister, that's something you ought to find out—and soon. What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat. It's a car that seems to know what you want it to do—true and sure in its course on a straightaway—beautifully balanced on curves. It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect. And it is, with all this, a very tidy bargain.
