**Bonus Blocked By Technicality**

EUGENE (U) — Willard Folling, who says he served nearly four years in the Navy in World War II, now finds he cannot collect a state veterans' bonus because of a legal technicality.

Folling said he lived in North Dakota prior to World War II. He moved with his family to this state seven months before enlisting Jan. 27, 1942.

He said Oregon requires a year's

residency before enlistment for a veteran to be eligible for a bonus. And North Dakota requires that a veteran must have lived in that state at least six months immediately prior to enlistment.

Holding said he is not trying to get a bonus from both states. He just feels that he is entitled to a bonus from someone.

# GOP Delegate Hopefuls Split Into Three Camps

PORTLAND (U) — Candidates for delegate to the Republican National Convention were split into three camps Monday after Eisenhower supporters designated 10 top choices for delegate-at-large.

The strategy was adopted in a move to defeat eight candidates who filed by petition so they would not have to vote for the winner of Friday's primary election at the convention.

Eisenhower backers say the eight petitioners are Taft supporters who are attempting to swing part of Oregon's 8 electoral votes to the Ohio senator, despite the fact he is not on the ballot.

Delegates who did not file by petition must vote for the winner of the Oregon primary. That is expected to be Eisenhower.

Another candidate, Portland Author Robert Ormond Case, said the strategy was "unfortunate, to say the least."

Sen. Henry Cabot Lodge Jr. (R-Mass.), Eisenhower's campaign manager, who was in Oregon last week, apparently has been ill-advised in his attempt to tell the voters of Oregon who the top delegates at large to the Republican convention shall be, a statement from the backers of U. G. Dubach, a candidate and political science professor, said. The statement was signed by E. C. Sammons, president of the U. S. National Bank of Portland and Dr. Morgan S. Odell, president of Lewis and Clark College.

When you pay your telephone bill, about 28 cents of each dollar goes for excise, income, property and other taxes.

## How much tax in your telephone bill?

When you pay your telephone bill each month, an important part of your money is set aside to be passed on in taxes to the Federal Government and to state, county and city governments. Naturally, we expect to contribute our fair share of the cost of government...but because taxes now account for such a large portion of the cost of service, we feel we should report about them to you who, as telephone customers, have to pay them.

To give you some idea of the size of Pacific Telephone's tax bill, it is estimated that the total excise and operating taxes on your telephone service in 1951 could have supported all the 131 schools of higher education in the State of California. For these taxes came to more than \$152 million. To put it in terms of the average telephone, this is \$35 per telephone per year...\$2.92 per month. Twenty years ago the average was 53 cents a month.

Your telephone is taxed in two ways: One, through the operating taxes we pay to run the business...federal and state income taxes, property taxes and the like. In 1951, these reached an all-time high of more than \$81 million for Pacific Telephone...nearly a fourth greater than in 1950. These operating taxes alone amounted to more than twice as much as we were able to pay out in dividends to the owners of our business. The other way you're taxed is by federal excise levies you pay on your local and long distance service. Last year we collected more than \$70 million in excise taxes from our customers here in the Pacific West and turned the money over to the Bureau of Internal Revenue.

**Your telephone is one of today's best bargains**

In spite of sharp increases in taxes, wages, materials and other costs of providing service, we've been able to hold down the prices you pay for service...hold them so low, in fact, that the telephone today is one of the best buys in any budget.

**Chiloquin**

It and Mrs. Bill Ferguson were guests in Chiloquin on Saturday and again on Monday. Ferguson was a member of the local faculty for the two previous years and last spring was called into service. After preliminary training in Central California, he was sent last fall to Fort Benning, Ga., for officers' training. The Ferguson baby, Guy Martin, was just five weeks old when he made the cross country trip. Ferguson is on a short leave which was spent first in Seattle where they family, then in Gilchrist with his parents, and then on to San Francisco where Bill will embark for Japan and then Korea. His wife will return to Seattle to stay with the annual junior prom will be held this Saturday evening in the old gym with the Rhythm Makers providing the music. The reporter couldn't even get the hints to give a hint of the theme of decorations, let alone any details. So, be sure to attend Saturday for the biggest dance of the school year.

Mr. and Mrs. Kermit Keyser and their four daughters visited in Chiloquin on Sunday and took their cousin, Mrs. Adiane Wyr and sons, Edwin and Erwin, to Collier park for an afternoon picnic before returning home. Joanne Keyser, incidentally, should surely get some recognition some place on her grade average. She has transferred to Bonanza for her senior year, thus losing her hold on the valedictorian position here and there it is required that a valedictorian or salutatorian must have attended the school for two years, so she lost out there. And in reality, her grade average tops any senior in either of the two schools. Joanne will work at Grater Lake this summer and is hoping to be able to go on to college next fall.

Mr. and Mrs. Earl Greear will move back to Chiloquin some time within the next week when Hercules moves its camp north for the summer months. They were here over Saturday night with their son, Dean.

Mr. and Mrs. Herbert Guenther and sons, Bruce and Barney, were Sunday guests at the Wolff ranch. Guenther is a nephew of Henry and Jack Wolff, and makes his home in Medford.

Mrs. James Bowman left on Tuesday, April 29, to visit with a son in Bend and on to Portland to visit her other daughter and son-in-law. She will be gone an indefinite time. She makes her home here with her daughter and son-in-law, Mr. and Mrs. Frank DiUlio.

Last Friday night the City Council met for its budget planning session. Details will be worked out during this next month and a final meet on the budget will be held the last part of May.

**Ike Wins Mock Test Vote**

last weekend to visit with relatives.

Guests of Mr. and Mrs. Charles Steber and sons from Thursday until Sunday were her sister, Mrs. Tom Dooley and young twenty-two month-old Tommy. They are from Alaska and had flown to Oakland to visit with other relatives before coming to Chiloquin. They were to fly to Seattle and from there back home.

Recent guests of Mrs. Pearl Nygren and her grandson Ben were her sister-in-law, Mrs. Glen Barrows of Portland, her mother Mrs. Gueren, her son Keith, and two other teen-age boys. The boys continued to Klamath Falls to attend a conference.

Only two Chiloquin 4-H club members completed projects this year and entered competition at the county fair but each girl received a citizenship award. Kay Haglund won the Knitting I division and Susan Ravizza the Knitting III and also the style review for knitting. Mrs. Harry Ravizza was their leader.

On Thursday several local people made the trip to Redmond to attend the 12th annual conference of the Confraternity of Christian Doctrine of the Baker diocese. Making the trip were Mr. and Mrs. Dwight Souers, Mary Ann Souers, Mrs. Edna Souers, Mrs. William Priebe, Mrs. Dutch Dolphus, Mrs. Ernest Smith, Susan Ravizza, and Mrs. Clyde Leake now of Klamath Falls but formerly of Chiloquin.

Father Robert Kennedy of Chiloquin attended in official capacity. Margaret Molitor had been selected to make the parish report and talk but was unable to go. Mrs. Souers gave the report and Mrs. Smith, the talk. Susan entered the teen-age essay and talk competition and won a first award along with Mary Egan of Klamath Falls. Susan spoke on an original essay, "Correct Attitude of Teen-agers toward Mms."

Mrs. Ursula Bond left this weekend to spend a few days in western Washington to visit with a sister, Mrs. Mildred Wallis. She will be back in two weeks to her job as local manager of the Pacific Coast Telephone Company.
