Plans for Commissioning Day at the Klamath Yacht Club are nearing completion with plans for the event to get under way at 11 o'clock this Sunday morning, it was reported by Robert O. Sproat, chairman.

All craft are scheduled to be in the marina by 11:00 when judging will start to award prizes for the most ship-shape boats in three divisions.

Cruisers will be anchored inshore at the south marina, runabouts and outboards in the south marina, and sailboats on the north leg of the north marina.

Following inspection and judging, colors will be raised at 12:00 noon, and then boats will parade past the craft of the Commodore, Howard Pennell.

Following the boat parade, members and their invited guests will have an afternoon of boat rides about the lake.

Dr. M. E. Robinson is Fleet Captain. Will Wood is in charge of regatta. Dinty Moore in charge of runabouts and outboards, and past Commodore Orth Sisemore in charge of sails.

Mayor Bob Thompson will again officiate at the public address system. Sandwich lunches will be served in the afternoon.

# Court Declares Picket Line Rights of Employer

NEW YORK (AP) — An employer has the right to fire a union employee, the U. S. Circuit Court of Appeals says, if the worker refuses to cross another union's picket line at a customer's plant while on duty.

By a two-to-one decision, the court Tuesday reversed the stand of the National Labor Relations Board (NLRB).

The NLRB had asked for an order enforcing its ruling that Charles Waugh be reinstated with back pay as a chauffeur-routeman by the Rockaway News Supply Co. Inc., distributors of newspapers and magazines in Long Island.

Waugh was a member of the Deliverers Union of New York and Vicinity (DU) when he was discharged from his job in March, 1950, after refusing to cross a picket line outside the office of the Nassau Daily Review-Star, in Rockville Centre, N. Y.

Members of the Nassau County Typographical Union then were picketing the newspaper plant.

In the majority opinion, written by Judge Albert B. Maris and concurred in by Judge Harrie B. Chase, the court said:

"An employee is of course free to exercise his right to refuse to exercise his right to refuse to cross a picket line when he is on his own time. . . . But he is not free to exercise his right during his working time in violation of his employer's working rules by refusing to perform that part of his regular duties which requires him to cross the picket line.

"To hold otherwise would be to permit an employee unilaterally to dictate the terms of his employment, which it is well settled he may not do."

Judge Charles E. Clark, in a dissenting opinion, said:

"To say that a workman is protected from discharge for refusing to cross a picket line only when his refusal is outside of his working hours seems to me a practical nullification of the statutory provision."

NLRB officials did not comment immediately on the decision.

SCROLLS FOR SERVICE — Marion Tracy, Washington, D. C., adds scroll to pile to be awarded to 131 railroads by Reserve Officers Association for outstanding service to nation.

HONORED — Senora Rosa Markmann de Gonzalez-Videla, wife of the President of Chile, has been selected as the "Mother of the World" by the American Mothers Committee.
