More Supply Info Sought

WASHINGTON (AP) — Rep. Mitchell (D., Wash.) has asked Army Ordnance to supply the Seattle and Portland regional offices with copies of all bid invitations and other procurement information.

The Congressman told a reporter Tuesday he had made his request after being informed that of all types up about 20 per cent lack of money prevents further decentralization of the ordnance office.

Mitchell has complained frequently in recent weeks that small manufacturers in the Pacific Northwest are unable to obtain procurement information in time to prepare and submit bids.

Out-of-Staters Must Pay Tax

OLYMPIA, Wash. (AP)—Washington residents engaged in purely local employment in Oregon must pay the Oregon state income tax, Atty. Gen. Smith Troy said Tuesday.

Troy said non-residents "must pay a fair share of costs" of protections and conveniences in the state where they are employed.

However, the tax must be the same as the tax on incomes of residents of the taxing state, he added.
