KNOW THIS

When the hostess serves malt beverages, she should only use glasses which have been carefully washed and rinsed in very hot water to remove all traces of film or soap which quickly destroys the foamy "head."

Good-Will Tax Relief Asked

HASTINGS, Enc. 28—The cost of an occasional night out with the wife—complete with supper, movie and baby-sitter—should be deducted from a family man's income tax, a woman Liberal Party leader suggested Wednesday. Such a tax allowance, said Nancy Seear, might be called "maintenance of family good-will."

YEP!

Two quick washes in hot water for heavily soiled clothes are more effective than one long wash. Use water as hot as permissible for the type of clothes you are washing. Into each wash put half a cup of bead-form bluing if you like your white clothes to glisten—bluing counteracts the natural yellowing tendencies of most white materials.

He was Charles K. Todd Jr., 20, of Portland. After inspecting the Otter Rock marine gardens, Todd and two other students, Margaret Dawson, 19, and Paul Baker, 18, went swimming. Todd drowned as he attempted to swim around a reef. Miss Dawson tried to rescue him but he pulled away and sank. She managed to reach the rock, where she was pulled to safety, but only after she had been held by waves and cut on the rocks. Baker was able to swim to safety.
