

LOOKING AT A SCRAPBOOK presented to State President, Cecelia Galey, here for the 31st annual convention of the Oregon Federation of Business and Professional Women are standing, Dr. Eleanor Gutman, Portland, honor guest, and Catherine Brumbaugh, chairman of the State Past President's breakfast at the Willard Hotel. More than 250 women delegates and visitors were present.

20-30 Marble Tournament Offers Trips to Portland

Four Klamath Falls grade school youngsters will pocket tickets to the Young Oregonian state marble tournament at Jantzen Beach Park in Portland May 24 after tomorrow's district tournament here at Recreation Park.

The fifth annual tournament here is sponsored by the 20-30 Club. Starting time is 4:30 p. m., Daylight Time.

In the neighborhood of 44 contestants from seven city elementary schools and four suburban grade schools are registered for the marble meet.

The winner and runner-up in each of the two divisions will be sent to Portland and the state meet.

Crude Natural Rubber Cheaper

WASHINGTON (AP) — The government Wednesday cut the price it charges for crude natural rubber to 38 cents a pound. The reduction is effective June 1.

Jess Larson, general services administrator, announced the cut of 10.5 cents a pound from the 48.5 cent price which governed sales during April and May. He said the new price would be in effect until June 30, when the government gives up its exclusive import authority over rubber.

Trophies and medals in the local tournament will be presented through the VFW by Danny Peck, 1938 city marble champion.

Winner of the Portland state tourney will qualify for the national tournament at Durham, N. C.

Finalists for tomorrow's tournament have been picked from play-offs at city and suburban schools during the past month.

The two divisions are:
Class A: Boys and girls aged 6 to 12 and
Class B: Boys and girls aged 13 to 15.

House Credit Bars Lower?

WASHINGTON (AP) — Housing Administrator Raymond Foley said Wednesday it is "quite possible" credit controls may be relaxed on new houses costing above \$12,000. Foley told the National Savings and Loan League, at its annual meeting here, that housing officials do not believe that Regulation X, which governs real estate credit, should be revoked entirely.

That regulation which went into effect in October, 1950, prescribes how much down payment must be made on a new house built after

the effective date of the order. For houses in the \$25,000 bracket or above, it means a down pay-

ment of 50 per cent. Foley said the reserve board and the housing office are studying

whether changes should be made in the below-\$12,000 type of home. "It is quite possible such changes may be made soon," he said.
