

Allies and West Germany Settle Financial Strife

By BRACK CURRY
 BONN, Germany (AP) — Chancellor Konrad Adenauer and the Western Allies solved their major financial dispute holding up the West German peace contract Thursday and made preparations for a week-end visit from the Big Three foreign ministers.

In a 13-hour session ending shortly after midnight, Adenauer and Western representatives agreed in principle on what Allied troops in Germany would get from the 850 million marks (\$202,300,000) a month the Germans have agreed to raise for defense.

The foreign ministers — U. S. Secretary of State Dean Acheson, British Foreign Secretary Anthony Eden and French Foreign Minister Robert Schuman — are expected here Saturday for final settlement of two remaining points in the contract and signing of the treaty on Monday.

The pact will give West Germany near sovereignty, ending the seven-year occupation, and will ally the Adenauer government politically and militarily with the West.

Once signed, it must be ratified by the U. S. Senate and parliaments of Britain, France and West Germany.

In Paris, negotiations for the companion treaty to set up a six-nation West European Army snagged over the number of years that pact should run and over interim regulations to govern French forces in Germany.

The negotiators hoped to iron these out over the weekend in Strasbourg, where the six foreign ministers — of France, Belgium, The Netherlands, Italy, Luxembourg and West Germany — are due for a session of the Council of Europe.

Negotiators said they hoped to have the European Army treaty ready for signing "Monday or sometime next week."

But there were reports from Strasbourg that the troublesome bar dispute between France and West Germany might break out again there and delay work on the army pact.

Paper to Get New Quarters

SALEM (AP) — A new \$300,000 building is to be built for the Oregon Statesman in downtown Salem, Publisher Charles A. Sprague said Wednesday.

A contract has been signed for a L-shaped structure with Viesko and Post, Salem contractors, and work will begin in a few days, Sprague said. It will be completed in about eight months.

The one-story building with basement at North Church and Chickadee Sts. will have some 28,000 feet of space—more than double the space in the present plant which has been occupied for 35 years.

Doctors Study Ancient Body

COPENHAGEN, Denmark (AP) — Danes probing the interior of their 2,000-year-old man have decided that he probably suffered from liver trouble.

The well-preserved corpse from the Iron Age, recently found in a swamp in Central Jutland, was given a post-mortem examination at the prehistoric museum at Arrhus Wednesday.

Archaeologists already have decided that the man died from multiple injuries he suffered when he was sacrificed to the Nordic goddess of fertility.

After the rites, the body was lowered into the peat swamp, which preserved it.

Examination of the liver, Dr. Willy Munch of the Museum staff said, showed it was diseased.

Munch said it was the best preserved antique corpse he knew of and that the "hair, nails and even fingerprints are virtually indistinguishable from those of a living man."

Liberty Network To Resume

HOLLYWOOD (AP) — The old Scotman, Gordon McLendon, is reviving his Liberty radio network, and 40 West Coast stations will begin operations the first week in June.

McLendon's old Liberty system suspended operations last week after all but three Major League clubs clamped down on Liberty's direct-from-the-park broadcasts, aired from coast to coast on more than 400 stations.

McLendon said his pared-down network will comprise stations in California, Washington, Oregon and Arizona, and that it will include eight Texas and Louisiana stations for some programs. Backbone of the program will be a daily recreated Major League baseball game.

Man Wants Wife To Live Well

BIGLEWADE, Eng. (AP) — C.J. Jeeves, who's been paying his wife 2 pounds 15 shillings (\$7.70) a week since they separated, asked the court's permission Thursday to send along a little more.

The astounded judge, who said he never had heard of such a thing, granted Jeeves' request to increase the maintenance money to 3 pounds (\$8.40).

It's the increased cost of living, Jeeves explained.
