# Yount May Lose Pusan Command

By WILLIAM JORDEN

**KOJE ISLAND**, Korea (AP)—A high military source said Wednesday Brig. Gen. Paul F. Yount was being relieved of command of his post in the now famous "Dodd affair."

Yount, commander of the Pusan Army Base, was the immediate superior of Brig. Gen. Francis T. Dodd when Dodd was kidnapped and held hostage by Communist prisoners of war on Kojima Island May 7.

Yount already has been reprimanded and Dodd has been reduced to his permanent rank of Colonel.

**NEW JOB**  
The high official, who declined to let his name be used, said Yount would be reassigned within a week, a month before he was to be transferred.

(Published Army orders in Washington showed Yount was scheduled for reassignment March 10, long before the Dodd incident, but the date of his reassignment was left up to the Far East Command.)

The orders said the transfer would take place sometime in June to the office of the chief of staff in Washington.

Yount told newsmen he had received no official notice of any transfer other than a scheduled rotation in June.

In reprimanding Yount, the Department of the Army said he "overlooked the erroneous implications" of promises made to secure Dodd's release.

**RED BLASTS**  
The promises, made by Brig. Gen. Charles Colson, led to still continuing Red propaganda blasts at the United Nations Command. They were repudiated by Gen. Mark Clark, Far East Commander.

Both generals Dodd and Colson successively were ousted as Kojima commanders and were demoted to their permanent rank of colonel because of the kidnapping and Colson's promises.

# Thefts Reported To Police

**John Hallmark**, 500 Market, reported to City Police today that someone stole the two front hubcaps off his 1951 Kaiser Tuesday night before midnight.

The car was parked at his address.

A boy, Cary Havird, 2403 Wantland, reported today that his bicycle was stolen from the Tower Theater parking lot about a month ago.

The bike was a 26-inch Monarch make, painted red on one side, black on the other.

**HERBERT M. MUNSELL**, local public accountant and long active in work with the Order of Odd Fellows here, last week was elected unanimously to the office of Grand Senior Warden during the IOOF State Encampment at Salem. The Salem session celebrated the centennial of Odd Fellowship in Oregon, the first lodge having been established there in 1852. Munsell's new office traditionally leads upwards to the top offices in the Oregon IOOF.
