Housework Easy Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor headaches irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Strawberry Fete Due This Week

LEBANON — The annual Lebanon Strawberry Festival will open here Thursday. The annual parade is scheduled Friday at 11 a.m., to be followed by a children's parade on Saturday. A flower show and street platform programs in the afternoon and evening also will be held.
