

Strawberry Shortcake

S.B. Shortcake Time Is Here

How do you like your strawberry shortcake? Made with whipped cream or ice cream? Served on shortcake... biscuits... or on meringues? If you're one of the many who go for the meringue type but have always thought them too difficult to make, here are a few rules to keep in mind. The big secret is getting the egg whites very frothy. This is easier to do if you use eggs at room temperature that are not strictly fresh. They'll beat more readily and will produce a greater volume. Be sure to bake in a very slow oven and your meringues should be as crispy as any you've ever tasted. There are few ingredients that can be added successfully to meringue but one that seems ideal is the new sugar-coated puffed corn cereal. Folded in at the very last moment before baking the cereal stays as crunchy and flavorful as it was in its gay cereal box. Fill the meringue with ice cream, cover with strawberries for the dessert supreme.

don't DO that!

DON'T FORCE ADVICE... Even if you don't like the decor in your friend's home, don't insist on inflicting your own ideas.

Recital Friday At Church

Pupils of Rhoda Ann Brown will be presented in recital Friday, 8 p.m., at the First Methodist Church. The public is invited. Taking part will be Marcia Canine, Dony Joe Hartman, Mary Ann Pade, pre-school age pupils; Joan Westlund, Barbara Canine, Kay Detroit, Nancy Pynes, Sandra Short and Beverly Westlund. Classical and semi-classical numbers will be presented. Miss Brown has taught piano and voice at her home, 1503 Canby Street, for the past four years. Yield: 12 meringue shells, 3 1/2 inches in diameter.
