**Wrecks Kill Six In State**

**By The Associated Press**  
Two traffic accidents in Oregon Thursday claimed six lives. Four were killed when an automobile skidded into the Lewis and Clark River south of Astoria. Two others died in a collision near Medford.

Killed in the Astoria mishap were Ronald King, 21; Walter G. Nevis, 35, his wife and 4-year-old daughter. All were residents of the Astoria area. The car, driven by King, went out of control and broke through a guard railing, landing upside down in six feet of water. All were dead before they could be pulled out of the car and brought to shore.

Dudley C. Fullington, 43, and his wife, Katherine, of Torrance, Calif., were killed outright five miles north of Medford. Their car collided with a truck on Highway 99. The truck driver was not injured.

Almost every bicycle rider in Klamath Falls is expected to participate on Friday, June 20, in the big parade to promote safer bicycle riding under the sponsorship of Montgomery Ward Company.

Prizes will be awarded for the best and most originally decorated bicycles. Howard Stroud, Wards manager, will provide a G-E Bealed Beam bike as first prize, plus many valuable merchandise prizes for the other parade winners.

There will be no registration fee of any kind. A list of safety rules and contest rules will be given to each rider and contest rules will be given to each rider at the time of registration. Anyone may enter the event by registering at Wards Sporting Goods Department.

Three prominent local citizens will be chosen as judges for the contest. The parade is scheduled to start at the Court House at 10:30 a. m. and will proceed up Main to the Wards store.

Chief of Police Orville Hamilton and the Klamath Falls Safety Council urge every bicycle rider to participate in the interest of greater bike safety.
