Springtime Snow Time For Basin

Old Man Winter pulled a local switcheroo last night. Instead of June in January, we had January in June!

Snow fell over much of the Klamath Basin last night and early this morning, varying from almost nothing to several inches in Eysan and Basin farmers looked warily at thermometers this morning, and crossed fingers in hopes frost won't strike tomorrow. No damage was expected from near-freezing temperatures last night, but cold waves are expected after the present storm condition clears.

Downtown Klamath Falls registered 30 degrees, Tulelake a comparatively warm 34.

RAIN
Copeco's rain gauge at Link River marked .35 inches of rainfall between 5 p. m. and 8 a. m. this morning (PST). The experiment station gauge at Tulelake measured .75 inches of rain.

Many fields were in need of a good wetting, according to the county agent's office here. Grain fields were ready for moisture, and new seedlings for pastures, alfalfa, clover and other crops were in need of it.

So fast the weather has done more good than bad.

In the woods, foresters report the fire danger greatly lessened for the time being by the precipitation. KFFA lookouts reported varying snow depths:

Hogback Mountain, overlooking Klamath Falls, had five inches this morning; Yainax Butte, behind Big Bend, had six inches; Snake Butte, north of Hwy. 101, had six inches; Eysan Butte, in Lake County, eight inches of snow.

Lower levels measured snowfall too, including Bear Flat, in northern Klamath County with five inches, and the same amount at Williamson River, the head of the Williamson.

CALIFORNIA
Tulelake residents reported snow atop the peninsula this morning, and more was reported south toward the bug station. Usually frost threatens the "banana belt" of the Basin, south of the state line, before the higher Klamath side gets it.

Elsewhere in the state, snow whitened the high ground in central Oregon and much of the rest of the state got rain or threatening clouds.

At Prineville, from where snow could be seen on the Ochoco Mountains, .53 of an inch of rain was reported.

Some 30 miles east of Prineville the snow was 3 inches deep in the Ochoco.

Tuesday's high temperature in Ontario was 72 degrees, reported Alaska, reported a top of 79 and a minimum of 57.

Rail Wreck Kills Two

By The Associated Press
Two Southern Pacific trains, 30 miles and 40 minutes apart, struck automobiles in Oregon crossing accidents Wednesday morning killed two women and critically injured another. A fourth woman and the husband of one of the victims also were hospitalized.

The dead:
Mrs. Dora Keith, 45, Canby, killed at Hubbard.

Mrs. Fred Taylor of Milwaukie, killed at Milwaukie.

The injured:
Mrs. Florence Skinner, 62, Sandy, critically hurt in the Hubbard crash.

Mrs. Cora Fyock, 46, minor hurts in the Hubbard crash.

Fred Taylor, 50, Milwaukie, husband of the woman killed in the Milwaukie crash, undetermined injuries.

A Hubbard it was a northbound Ashland-Portland passenger train which struck the car carrying the three women. Coroner Lester Howell said the train was going only 15 miles an hour. The women, he said, had worked all night at the Woodburn cannery and were on their way home. They were about to let Mrs. Fyock out at her home when the accident occurred.

He said he did not know who was driving.

At Milwaukie, the Taylor car was hit at the Washington street crossing by a northbound freight.

Another Ray Rilance said Mrs. Taylor was thrown from the car which then fell on her.

The train at Hubbard was held up 50 minutes while wreckage was cleared. At Milwaukie it took workers 45 minutes to free Mrs. Taylor's body from the wreckage.

Vets Bonus Payments Due

SALEM (AP) — Payment of Oregon's bonus for World War II veterans will begin next Wednesday, William F. Gaarenstroom, state veterans director, announced yesterday.

He said 31 million dollars will be paid to 75,000 veterans by the end of July.

State Treasurer Walter J. Pearson now is in New York signing the \$4 million dollars worth of bonus bonds. The money from the sale of these bonds is expected by Friday.

The average bonus will be \$415, Gaarenstroom said.

More than 90,000 veterans have applied for the bonus. Another 40,000 applications are expected by the December 1 deadline.

GUARD REVIEW
OLYMPIA (AP) — The governors of Washington and Oregon will review national guardsmen from their states at Fort Lewis June 21, the fort public information office announced Tuesday.

JIMMY DORSEY, world-famed band leader was very, very cooperative last night at the Armory when last year's Roundup Queen, Margy Brown, presented him with a kerchief and silver clip. The gifts were from the Klamath Roundup Association.

Big Two Bits' Worth Offered Here Sunday

By WALLACE MYERS
Sometime at Roundup headquarters here the other day opined that this year's Roundup Queen Trials at the Fairgrounds Sunday afternoon would probably be the "biggest show on earth for 25 cents."

Could well be, there's a full afternoon's show beginning at 1:30 Sunday with 12 events programmed. And one of those events is the all-important judging of the seven queen candidates on horseback.

The whole show goes for a flat two bits admission and youngsters under 12 go in free. Since there are no reserved seats for this event, you can have a choice box seat for the two bits . . . if you go early enough. Last year, the trials drew a whopping crowd and this year's turnout is expected to be even larger.

PUBLIC BOWS
The seven girls seeking to reign over this year's Roundup were introduced publicly for the first time last night at the Armory. Bandleader Jimmy Dorsey presented the girls and last year's Queen Margy Brown to a big dance crowd.

Monday, the seven candidates proved they had more than beauty to offer as a qualification for becoming Roundup royalty. The girls and their horses were taken on an all-day outing to the big "D" ranch, near Dorris. It was brand-new.

Casualties Up For Week
WASHINGTON (AP) — Announced U.S. battle casualties in Korea reached 109,712 Wednesday an increase of 553 since last week.

This was the greatest rise reported for any week since last Dec. 12. It reflected the heavier fighting recently. Most of the additional casualties were suffered by the Army and the Marines.

The Defense Department's weekly statement based on notifications to families through last Friday reported: 64 killed in action, bringing the new total to 18,316; 492 wounded, bringing the new total to 79,918; and three missing for a total of 12,478.

Reds Clamp Security Around Iron Curtain

FRANKFURT, Germany (AP) — Jackboots Communist Vopos (People's Police), apparently under orders to shoot first and ask questions later, tightened Red security screens all along the Iron Curtain in Germany from the Baltic to Bavaria Wednesday.

What was once a stream of refugees from the East Zone dwindled to a mere trickle. West German police said the whole border area seemed deserted, except for prowling patrols of the Communist Volkspolizei and their watchdogs.

Bavarian police said they have been notified they can claim the body of a West German farmer shot and killed Monday night by the East police.

Two West German farmers apparently had stepped briefly across the border on their way home from a church festival. The Communist police fired without warning, killing one farmer. The other was arrested.

Such shootings have increased recently as the Vopos clamped down tighter controls to stop East German youths from bringing the threat of military conscription under the Reds. The plowed ground, fences with trip flares and the roving patrols, made flights for freedom an invitation to death.

Along the border between Western Lower Saxony and Soviet Zone Saxon-Anhalt, the Reds had the situation under control and there was no sign of a refugee in the area where some managed last week to slip across to safety.

There was no figure available at present on the number of refugees who slipped across the border in the past two weeks, but authorities in Hesse said 3,000 sought safety in that state alone.

Child Hurt In Mishap
A 5-year-old boy, Tony Lee Dummit, was admitted to Klamath Valley Hospital Wednesday morning for treatment of two deep cuts on the left side of his head.

The youngster fell from a moving car on S. 6th.

His parents, Mr. and Mrs. L. A. Dummit, 848 Owens, said the front door of their car came open as they were driving toward town from the Lakeview junction, and the boy fell out.

They drove him to the hospital.

House Committee Votes Wage, Price Controls

WASHINGTON (AP) — The Senate Banking Committee voted Wednesday, 1 for a full year's extension of wage, price and rent controls, and 2 for dropping all controls over real estate and consumer credit.

The committee is working on a measure to replace the present Defense Production Act—the basic controls law—which expires June 30.

Knocking out real estate controls would mean the end of the government's present Regulation "X" which sets the required down payment for purchase of new homes.

The government eased Regulation X terms earlier this week.

Consumer credit controls, which regulated down payments on automobiles, radios and many other items, were suspended recently.

The House committee's decision, if finally approved by Congress, would mean they could not be reimposed.

ACTION
In other important actions, the committee:

1. Stipulated that the support prices for six basic agricultural commodities—corn, wheat, cotton, peanuts, tobacco and rice—shall not be less than 90 per cent of parity.

2. Denied the administration's request for restoration of the power to impose livestock slaughtering quotas.

HOPEFUL
Members of the House committee were hopeful of completing their bill Thursday.

A controls extension bill, drafted by the Senate Banking Committee, is now under debate in the Senate. It calls for extending wage, price and credit controls for eight months, until March 1, 1953.

Wreck Kills 1, Hurts Four
PENDLETON, Ore. (AP) — A Yakima, Wash., youth was killed and four others were injured when their car left the highway and crashed Tuesday night about 20 miles north of here.

Killed was Douglas Riggle, about 18, who lived at an undetermined address on Brown Avenue.

Seriously injured were Dave West, 24 1/2, S. 15th, Yakima; Jerry Lay, 910 S. 5th, Yakima; and Phillip Rasmussen, 18, Box 445, Bickleton, Wash. Less seriously hurt was the driver, Durwood Laurel Kelly, 19, 1710 S. Naches Ave., Yakima. All were expected to recover.

State police said the car left Oregon Highway 11 just outside the town of Weston, Ore., about 9 p. m. The five were en route to Milton-Freewater.

Immigration Law Passed
WASHINGTON (AP) — The Senate passed by voice vote and sent to the White House Wednesday a controversial bill revising and codifying the nation's immigration and naturalization laws.

Opponents of the legislation denounced it as "an anti-alien bill" and said they hoped and expected President Truman would veto it.

Truman has not publicly committed himself one way or the other.

Sen. McCarran (D-Nev.), chief Senate sponsor of the bill, denied that it was anti-alien. On the contrary, he said it was a good bill that will preserve the nation's "fundamental institutions and provide fair treatment to those aliens who are accorded the privilege of coming to our shores."

The measure sent to the President is a compromise of separate bills previously passed by the Senate and House. The House approved the final version Tuesday by a vote of 203 to 53.

The measure would eliminate racial barriers to immigration under which certain Orientals now are excluded, wipe out sex discriminations, and tighten security screening of aliens and give preference to immigrants with skills needed in this country.

It would retain the national origin system of immigration totals.

Commie Prisoners Kill 15 at Koje
KOJE ISLAND, Korea (AP) — Communist prisoners of war in Compound 77 murdered 15 fellow POWs in a night of terror, then meekly surrendered to United Nations troops Wednesday for dispersal to smaller stockades.

American guards seized seven of the compound's leaders after the group had been shifted. The Red leaders were put in isolation cells. Other Red prisoners in a central exercise ground of the new enclosure, then refused to return to their compound but sullenly complied when a company of American troops rushed up.

A leader of tough prison pen 66—holding 2,700 North Korean officers and 650 enlisted men—was shown the shambles of Compound 76 where the Reds resisted dispersal. But American guards said throughout the day they heard considerable hammering in 66, an indication the POWs were shaping crude weapons.

American paratroopers found eight POW bodies still oozing blood in a well in Compound 77. Later a ninth body doubled up in an oil drum was discovered in the same well.

Five bodies were found in trenches and another in an abandoned well.

One victim's hands were tied behind his back. Others had been beaten and ropes were taut around the necks.

Twenty anti-Red prisoners scaled barbed wire fences during the night. They said Red leaders had planned to kill them.

The 6,288 North Koreans in the compound were the third such group to be dispersed to 500-man compounds in Brig. Gen. Haydon L. Boatner's campaign for uncontested control over the POWs.

Prisoners in Compound 95 Wednesday gave up the bodies of eight POWs killed in an April 10 riot. A small group of prisoners accompanied the bodies to a prisoner cemetery outside the compound.

The 6,400 Reds in Compound 76—first to be dispersed—fought savagely for 2 1/2 hours Tuesday before being subdued by 750 tough paratroopers from the 187th Airborne Combat Team.

Thirty-one Reds were killed in the fight. The Army said seven wounded POWs had died since, boosting the death toll to 38. A new survey showed about 150 prisoners were wounded.

One American died to death after being stabbed by a crude prison spear. Fourteen other Americans were injured, none seriously.

Taftmen Control Convention
CHICAGO (AP) — Sen. Robert A. Taft has tightened control over Republican convention machinery with the apparent intention of fighting vigorously for the seating of Southern delegates favorable to him.

The top arrangement committee's choice Tuesday of Gen. Douglas MacArthur as keynote, and the selection of Taft backers to fill other major convention posts, was dictated strongly by the Ohioan's camp.

The action served the notice on supporters of Gen. Dwight D. Eisenhower, Taft's chief rival for the GOP presidential nomination, that there will be no quarter in the battle over disputed Southern votes which may go a long way toward determining the winner.

Truman May Use T-H Law
WASHINGTON (AP) — The Senate, sticking by its stand that President Truman should use the Taft-Hartley Act in the steel crisis Wednesday rejected another move to give him the plant seizure powers he asked.

Some government officials, were of the opinion the Senate stand would virtually force Truman to turn to the T-H law, which he dislikes, in an effort to end the strike of 650,000 steelworkers.

There was no sign, however, that the administration contemplated any imminent action.

Sen. Morse (R-Ore.), offered the new seizure proposal in the Senate.
