PCC Off On New Cleanup

PORTLAND (AP) — The Pacific Coast Conference is off on another big crackdown on sports commercialism.

This one may be the toughest ever, H. P. Everest said in announcing that conference officials had voted to hire investigators and tell them to get erasing colleges and athletes.

Any college athlete found to have accepted gifts or money will be suspended from conference sports, said Everest, vice president of the University of Washington and spokesman for the conference officials in their annual meeting.

The schools themselves—in pledges from college presidents—have promised to punish anyone involved in giving undue aid to athletes. If caught in severe violations, college staff members may be discharged, Everest said.

All this stems from an increasing uneasiness over rumors—on the West Coast as well as the rest of the nation—that a lively market exists for high school athletes, and that the athletes are cashing in on it, Everest added.

Conference Commissioner Victor Schmidt reported that he did not have the staff necessary to run down the rumors. So athletic directors and faculty representatives from the nine conference schools voted Tuesday to increase his staff. No limit was placed on the number he may hire.

The officials also took tentative action on basketball and football systems. Basketball coaches voted for a conference-wide schedule to replace the present National and Southern Divisions. This would call for each team to play all others twice.

Final action was set back at least until December, for athletic directors said they would have to study the plan. The committee will report in December.

GRID FORMULA

The officials voted tentatively to change the football schedule formula. The proposal is for all schools to play at least six conference games, with California schools required to play at least one of them in the Pacific Northwest. At present they are not required to do this.

Whenever California schools play Washington at Seattle, they also will be asked to play another team in the Northwest. Idaho games will not count in the minimum of six per season, nor will California schools be required to play Idaho at Moscow.

Everest said the committee that drew up this plan had representatives from three California schools, and all approved the plan. Athletic directors will draw up tentative schedules for 1956 and 1957, the first open years.

Yankees Climb To Top Spot

By The Associated Press

Tip to Casey Stengel, who will manage the American League's 1952 all-star team in the inter-league classic in Philadelphia next month:

Want to know how to snap the Nationals' two-game winning streak? Just select Leroy (Satchel) Paige as one of your eight pitchers.

The defending champion Yankees are in the top position for the first time this season. That came about when Eddie Lopat pitched them to a 4-0 four-hit victory over Detroit while the St. Louis Browns were turning back the Boston Red Sox, 7-4.

Hamner Gets Ballot Edge

CHICAGO (AP) — Granny Hamner of the Philadelphia Phillies has taken a lead on Al Dark of the New York Giants for the starting National League shortstop assignment in latest tabulations of the All-Star baseball poll.

Hamner had registered 10,163 votes from the nation's fans Wednesday while Dark, the 1951 starting choice, had polled 9,952.

Hank Sauer, the Chicago Cubs left fielder who tops all major batting marks, continued as the poll's most popular vote-getter with a total of 13,422. Stan Musial of the St. Louis Cardinals was second with 12,943.

The balloting for starting lineups in the All-Star classic at Philadelphia July 8 began last Friday and will end at midnight June 27.

Klamath Cowboy Going Good

Herbie Snell, Klamath cowboy, has been having a good season on the rodeo circuit. Snell's specialty is the bareback event.

He has won money in Montana and Nevada shows and last Saturday copped both go-rounds at Lakeview.

Snell's next scheduled appearance is at Myrtle Point.

Congdon Gets Open Crown

CLARKSTON, Wash. (AP)—Tacoma pro Charley Congdon put together two subpar rounds in the final 36 holes of the Washington State Open Golf Tournament Tuesday and pocketed first money with a 72-hole total of 271.

The Tacoma veteran fired a 65 on the par-71 Clarkston Golf and Country Club, best score of the tourney, on his first round Tuesday and closed with a 70. His 72-hole total, 13 under par for the course, netted Congdon \$500 first prize money.

WARD SECOND

Bud Ward, Great Falls, Mont., professional, was second with a 277 worth \$300.

Eddie Draper of Seattle posted a 278 for third-place honors. Draper was low among the amateurs.

NCAA Accepts Portland U

PORTLAND (AP) — The University of Portland was notified Tuesday it has been elected a member of the National Collegiate Athletic Association.

Athletic Director Ed Fiene said Portland will be part of District 8 which includes California, Oregon, Washington, Idaho, Nevada and Hawaii.

Randy Turpin Cops Crown

LONDON (AP) — Belting Randy Turpin, who now owns four boxing titles in two weight divisions, rested on his laurels Wednesday waiting to see who will fight him for a world championship.

Turpin crashed into the light heavyweight ranks Tuesday night with a brilliantly executed 11-round knockout of Don Cockell.

The well-earned victory gave him Cockell's British national and British Empire 175-pound crowns to go with the English and European middleweight titles he already owns.

Turpin at 162 1/2 was outweighed almost 12 pounds, but was never in trouble against the hard-hitting Cockell. He floored his man for eight in the third round and for counts of six and nine in the eleventh before referee Tommy Little decided it was enough for the dazed Cockell.

Olympic Boxing Trials Set

SAN FRANCISCO (AP) — U. S. Olympic boxing team prospects tear into each other Wednesday night in the important Western regional trials.

Finals Thursday night will determine title winners in ten divisions who will compete in the main Olympic trials at Kansas City June 16, 17 and 18.

The crack field of 67 going into action Wednesday at the Civic Auditorium comprise survivors of rugged sectional eliminations in the Far West and Hawaii.

Bouts are three rounds of three minutes duration.

Urness Ordered To New York

PORTLAND (AP) — Bonus pitcher Eddie Urness, signed from the Dallas, Ore., High school by the Boston Red Sox this week, will report to Albany, N. Y., of the Eastern League, a Red Sox scout reported Tuesday.

Charles Wallgren said Urness, 18-year-old strikeout artist, technically was signed by Louisville of the American Association and assigned to Albany.

The Red Sox reportedly paid an \$86,000 bonus to sign Urness.

Dusette, Yamato Meet in Return 'Grudge' Bout at Armory Tonight

Big question on the local sports front today was: Can Georges Dusette stay clear of Toi Yamato's dread "sleeper" hold tonight long enough to wear the burly Jap down?

Tonight's wrestling card at the Armory features a long-awaited return bout between Dusette, the popular French Canadian, and Yamato, the Japanese judo specialist.

In their first encounter, a few weeks ago, Yamato broke all known time records in this area by rendering Dusette helpless in 30 seconds. The opening gong had barely ceased echoing through the big Armory when Terrible Toi clamped

the "sleeper" hold on Dusette and rendered him limp as the proverbial dishrag.

Tonight's match has flared into a bristling grudge bout. Dusette demanded a return go with Yamato immediately following the 30-second fracas. Yamato stubbornly refused for some time and Dusette's slow burn waxed hotter and hotter. Finally, Dusette's remarks about Yamato's refusal got around to the Jap and he informed Promoter Mack Lillard he was more than ready to meet Dusette again.

Interest in tonight's match appears higher than in any wrestling bout held here for a long time.

It shapes as a natural crowd pleaser and the outlook is for a big turnout of fans.

A good preliminary card is scheduled.
