Reds Protest Koje Riots As Korea Talks Continue

MUNSAN, Korea (AP)—The Korean armistice talks resumed Wednesday with the Communists protesting new bloodshed on Koje Island and repeating old accusations that brought about a three-day walkout by the United Nations delegation.

There was no progress Wednesday on the three-day issue of exchange prisoners.

North Korean Gen. Nam Il, top Red negotiator, opened the 37-minute meeting by protesting Allied action in moving rebellious prisoners of war on Koje Island Tuesday. He said: "According to information already made public, your side slaughtered 31 and wounded 139 of our captured personnel... I am authorized to lodge with your side a serious protest."

At Communist insistence, negotiators will meet again Thursday at 11 a.m. (6 p.m. Wednesday, PST).

consequences of the massacre." Allied authorities said at least 12 of the Reds on Koje were slain by other POWs.

Prison Head Asks Change

SALEM (AP)—Placing the Oregon penitentiary's lethal gas chamber just outside the prison walls was proposed to the Board of Control Tuesday by Prison Supt. George Alexander.

The board expressed sympathy with the idea, but withheld final decision until Alexander submits detailed plans.

Alexander said he also is considering whether to hold executions at undisclosed times. The law allows him to hold them at any time during a specific day, so he could do it secretly, and at times when the convicts wouldn't know what is going on.

For many years, executions have been held at 8:30 a. m.

The Capitol Planning Commission asked the board to hire Francis Keally, New York, the architect who designed the state capitol, as consulting architect for future development of the state buildings here. The board took no final action, but indicated it agreed.

Construction of two residences for doctors at Eastern Oregon State hospital at Pendleton was approved.

Gov. Douglas McKay and Secretary of State Earl T. Newberry attended the meeting. State Treasurer Walter J. Pearson was absent.

Two Thefts Reported

A prowler Tuesday night broke into the Palmerton Lumber Company office, 425 Pine, and the Shell Service Station on Oregon Avenue, with apparently not much luck in either place.

About 75 pennies were reported taken from the service station, where a lock was thrown through a door, and the person who entered the lumber company office spilled a bunch of pennies as he wriggled through a tiny window in the back.

Desks in the Palmerton office were opened and ransacked. A quantity of stamps and perhaps a small amount of money was taken. City Police are investigating.
