FORT ROCK

By ROBERTA McGLEE
Attention Silver Lake and Fort Rock residents: There will be an Electricity meeting here at the Fort Rock Grange hall, Monday June 9, 7 p.m. Standard time. It is very important that there should be a good attendance that night as it will depend on how many will sign up for the power that night before further progress can be made in securing the power in this section. There will be free movies, discussions and speeches by some of the engineers on this project.

The Silver Lake Community Church celebrates its first anniversary Sunday June 8. The Fort Rock Community is extending a cordial invitation to attend the worship service and to partake in a potluck dinner afterwards at the home of Mr. and Mrs. Ralph Webber at the Horse Ranch Junction, Church service 11 a.m. (STD).

The 4-H group held their second meeting at the home of Mrs. Floyd Branch Thursday evening. The group has been meeting there since school ended for the summer vacation. The children are coming along very nicely with their projects and enjoy having the mothers present while their meeting is in progress. Last Thursday the ladies chose a pattern for a patch quilt which they are going to start on in the very near future.
