Knowland Offered VP

SAN FRANCISCO (AP) — The San Francisco Chronicle said Thursday Sen. Knowland (R-Calif.) was personally offered the Republican vice presidential nomination by Sen. Robert A. Taft, if he would switch his support to the Ohioan for President at the GOP National Convention.

Vance Johnson and George de Carvalho, Chronicle Washington writers, quoted "excellent sources" otherwise unidentified. Knowland would neither confirm nor deny a Taft offer, the Chronicle said, quoting him as saying: "Nobody can offer the vice presidency. . . . In any case, the presidential nominee must be chosen first."

Knowland is a leader of the California GOP delegation, pledged to support Gov. Earl Warren for President. He insisted "I am for Warren, period," the newspaper said.

"I will make no deal of any kind. I will not take part directly or indirectly in any effort to trade California's votes before the convention."

The 70-man California delegation is generally considered friendly to the candidacy of Gen. Dwight D. Eisenhower.

Methodists Want Money

PORTLAND (AP) — A proposal to raise a half-million dollars to finance activities of the Methodist church in the state was to be presented to the Oregon Methodist conference here Thursday.

The program includes \$300,000 for the board of missions for church extension, \$125,000 for the board of education, \$50,000 for the Women's Society of Christian Service and \$47,500 for campaign administration.

If approved, the campaign will be conducted in conjunction with those already approved for Washington and Northern Idaho.

The Oregon conference, with 172 churches as members, raised and spent \$1,776,594 in the year ending May 31. Treasurer Ernest Purvance said that was \$165,004 more than the year before.

Ministers received \$358,774 for the year, Bishop Gerald Kennedy reported. He said that was an increase of \$30,921 over the previous year.

Dairymen Protest Cuts

PORTLAND (AP) — New milk control orders which lower the butterfat content of milk and alter the basis for producer quotas were protested Wednesday by the Oregon Jersey Cattle Club.

The order will be damaging to high test breeds such as the Jersey, Marlin Fox of Molalla, club president, and John Gale of Canby, milk committee chairman, said.

They proposed that a price schedule be based on nutritional value and not on the butterfat content of a bottle of milk.

The action was prompted by revised milk control orders issued this week for Baker, Harney and Malheur Counties.
