**KATHON**

DEPENDABLE 2,4-D WEED KILLERS

You will like these field-proved, balanced formulations because they are convenient as well as effective... potent to weeds and profitable to use.

THREE TYPES TO FIT YOUR NEEDS

**KATHON E-33** For airplane or ground equipment, this isopropyl ester of 2,4-D is the spray to use. Contains 3.34 pounds of acid equivalent per gallon.

**KATHON M-7** This non-clogging emulsion is generally preferred for the control of susceptible weed growth. Contains 4 pounds of acid equivalent per gallon.

**KATHON E-40** Another isopropyl ester of 2,4-D for use with oil or water. Standardized at 4 pounds of acid equivalent per gallon... eight ounces of acid in every pint of concentrate.
