LIVESTOCK

CHICAGO (AP) — The livestock market was quoted steady Saturday at the end of a week which saw the worst price breaks of the year hit many types of livestock and meat.

In the cattle section, prices were hammered down to the lowest levels since 1950. Steers and heifers closed unevenly \$1.00 to \$2.00 lower, cows \$2.00 to \$3.00 lower, bulls \$1.00 to \$1.50 lower and vealers \$3.00 to \$4.00 lower. Top was \$35.75 for one load of prime beef.

The Agriculture Department said, "reasons for the decline in cattle prices, which followed sharp losses in the previous week, were much larger shipments and a slow, declining wholesale trade. In dressed beef," Dressed beef here fell \$1.00 to \$3.00 while veal plunged \$2.00 to \$6.00.

In the sheep section practically everything lost \$2.00 to \$3.00 in the sharpest break of the year. Prices of both old and new crop lambs closed at the lowest levels since June, 1950, with sheep the lowest since June, 1947.

The Agriculture Department said, "the drop in live lamb values followed drastic reductions in the wholesale trade on the dressed product. With choice and prime grades of new crop lamb carcasses were no more than \$2.00 lower, good grades dropped \$12.00 to \$13.00 at New York. Sharp losses were posted on old crop lambs and mutton at all points."

Hogs went against the trend, recovering late in the week. Barrows and gilts finished steady to cents higher. But prices on the dressed product tumbled sharply at eastern markets.

Boys, Girls To OSC Meet

LAKEVIEW — Thirty-five 4-H boys and girls left Tuesday morning for Corvallis to attend the annual two-weeks summer school at Oregon State College.

They traveled in a non-high school district bus driven by Joel Peters, and were accompanied by 4-H Agent Lee Hansen and two women as chaperones: Mrs. Arthur Kaley, Fort Rock, and Mrs. Joe Silveria, Paisley. Baggage was hauled to Corvallis by Ray Kerr.

All selection of 4-H boys and girls for summer school is based on merit in club and project work.

Diane Holloway, of Lakeview and Marion Miles, Silver Lake, attended under scholarships which they earned from Sears, Roebuck Company; Ronald Hawk attended under a Westside Grange scholarship; Harold Knake under a Valley Falls Grange scholarship; Barbara Fisher under an Eastside Grange scholarship; and Jean Kaley under a Fort Rock Grange scholarship.

Cycle Riders Win Prizes

Montgomery Ward's annual Bicycle Safety Parade yesterday saw three youngsters teaming to cop the grand prize, a new bicycle. The prize winning trio was comprised of Jean, Dick and Jo Blispham.

Other prizes: Joan Seavy, casting rod; Jane Alstead, tennis racket; Tommy Fredrickson, ball glove; Larry Shorlgren, basketball; Donna Schuss and Diane Wholter, bike horn; Richard Putman, goose bike horn; and Ron Hement, seat cover.

To Our Constituents:

Like Ike, Taft and "Coonskin" Ke-fauver, we want the voters to know where we stand.

Having served 10 Years on the School Board---

- We have lost the Teachers' vote by not allowing all the raise they asked.
- We have lost the Taxpayers' vote by allowing any raise at all.
- We have lost the Robid Sportsfan's vote by insisting on strict eligibility rules rather than winning teams.
- We have lost many Parent's votes by allowing sports to be over-emphasized.
- We have lost the votes of all Mothers, Fathers, Friends and Relatives down to Forty Second Cousins of the Kids we suspended or expelled for discipline.
- We have lost the vote of all Parents who thought discipline in the high school was too lax.
- We have lost the vote of all Unsuccessful Bidders on School Work, School Supplies, Laundry, Buses, Tires, Gas, Oil, etc., etc.
- We have lost the vote of all Insurance Agents who felt they did not get a fair share of School Insurance. (Who did?)

SO, if perchance any of you Good Citizens don't fall into any of the above categories (seems impossible)...

We will appreciate your vote for High School Director Next Monday. Polls Open at the High School, 3 to 9 D.S.T.

New Church Being Built

LAKEVIEW—A new building to house the Lakeview Community Church is under construction in Fairview across the street from Gary's Skat'erdance, and the pastor, the Rev. Carlton M. Babidge, said that his congregation hopes to be in their new building by Christmas.

This church is the newest in Lakeview, organized in May of 1950 after the Rev. Babidge left the pulpit of the First Baptist Church. He reported this week that while his first Sunday school two years ago contained 17 persons, it now has over 100, an increase of over 600 percent. The Bible school just completed had an attendance of 211.

Injury Fatal To Logger

LAKEVIEW—Thomas McAuliffe, of Paisley, died in a logging accident in Schoolhouse Canyon 16 miles from Paisley about 10:10 a.m. Monday. A native of Ireland, McAuliffe had been a resident of Paisley since 1924.

Sheriff Tommy Elliott, who went to the scene with Coroner Everett Osterman and District Attorney Robert Welch, said that McAuliffe was helping wrap chains on a truck load of logs when one of the logs rolled on him. Mr. McAuliffe was an employee of the Adams Lumber Company, of Paisley.

McAuliffe was born October 13, 1902, at Newmarket, Ireland, coming to this country in 1924 where he received his final citizenship papers here October 5, 1938. He was a veteran of World War II and was a member of the Catholic Church and American Legion.

McAuliffe is survived by his widow, Mrs. Della McAuliffe, Paisley; by his mother, Mrs. Annie McAuliffe, of Ireland, and by four sisters, all of Ireland and England.

Rosary was read at 8 p.m. Tuesday, at the O'Quay-Osterman Chapel, and the funeral mass was read at 10 a.m. Wednesday, at St. Patrick's Catholic Church. Interment was in Sunset Park Cemetery.

Members of the crew with which Mr. McAuliffe worked were pallbearers and the American Legion conducted graveside services.

Klamath Tribe Closes Rolls

KLAMATH AGENCY—Members of the Klamath Indian tribe, taking note of the tribe's population growth over the years, voted in General Council Friday at Beatty to close the tribal roll forever June 30, 1959.

No children born after that date will be admitted to the tribe, which now numbers more than 2,000 persons.

In other action Friday, the council received the nomination of 13 persons to the tribal executive board. Eight are to be elected in a reservation-wide referendum to be held July 16.

Polling places will be at Sprague River, Beatty and Chiloquin.

The nominees are: Boyd Jackson, Delord Lanz, Lawrence Witt, Dice Crane, Tony Unive, Gilbert Nelson, Ted Crume, Flavia Yates, Evelyn Cheraldo, Mary Campagna, Doris Richards, Wade Crawford, Al Nathan.

The council approved the 1953-54 general administrative budget which totals \$390,000, but asked that the reservation administration try to make personnel and law enforcement savings of up to \$100,000.

Appropriation of money budgeted must be made by Congress.

A request from the Beatty Rodeo Association for \$500 help for Beatty's annual rodeo was denied.

S. E. Kirk, Hiram Robbins and Wade Crawford were appointed to a committee to represent the Klamaths at a June 30 Federal Power Commission hearing in Klamath Falls.

Growers Face

would be no accommodations for families and room for only some 35 singles. The camp has handled as high as 800 persons at peak. Only members of the association were permitted to draw on the labor pool.

In years prior to that arrangement, strikes and labor fluctuation hampered harvest operations. Families lived under primitive conditions and policing of the city and rural areas was taxed.

FUND PROBLEM

The association's largest single agricultural group in the Basin has been the clearing point for grower troubles for several years, but financially has reached the point where it was necessary to equalize responsibility.

The serious labor shortage, anticipated this year, is due in part to renewed activity in U.S. policing of the Mexican border for illegal entry of Mexicans into this country. Reports of serious shortages from other agricultural areas of California, Oregon and Washington due to this factor are already reaching here.

Growers present for last night's meeting represented 1773 acres of potatoes and 165 acres of onions. The meeting was held in the office of the association.

Washington Sees Meteor

WASHINGTON (AP) — Washington had a foreign visitor Friday night, right out of this world.

The new arrival — reported by dozens of phone calls to newspapers, police and the naval observatory — was variously described as a fireball, a glowing plate and a flying saucer.

Astronomers said the object was probably a meteor. "The skies are full of them at this time of the year," it was explained.

One irate motorist said it zoomed right over the top of his convertible as he drove near the White House.
