Church Guild Meeting Told

TULELAKE—The Guild of the Community Presbyterian church meeting recently at the home of Mrs. Chester J. Stonecypher Sr. for a picnic lunch had an interesting session. Co-hostesses for the day were Mrs. Elizabeth Hand and Mrs. Ray Laird.

Mrs. Frank Howard, president, opened the meeting and Mrs. Ross Ragland was in charge of devotions. The kitchen committee reported that new linoleum had been laid in the kitchen, a new electric stove installed and the interior redecorated.

The Guild members will again sell choice vanilla to earn an electric roaster already arrived. Mrs. D. P. Reid, in charge of need clothing distribution, reported that a box has been sent to Korea and that clothing is still being accepted.

At an earlier meeting pictures sent of Dorothy Uhlig, Klamath Falls, Presbyterian Missionary to India were shown and Mrs. George Milne, wife of the pastor of the Merrill Presbyterian church spoke on her experiences in British Guinea.

The Guild hopes to have Dr. Martin, recently returned from the Philippines as a speaker soon. He is a brother of Mrs. W. J. Shepard, former resident here, now at Tulelake Falls.

The Guild has under consideration, purchase of chimes for the church as a memorial to the late Marvin Christy, member killed early this spring in the crash of his light plane.

A memorial fund has been raised which will pay in part for the installation and it is hoped that a demonstration of the Chime-A-Tron, can be arranged in the near future.

This type of chime can be attached to the Wurlitzer organ, already purchased and can be installed on a roof where the bellows is not available. Other attachments for the Chime-A-Tron can be attached later if the Guild decides to finance the project for later expansion. This would be independent of the present memorial fund.

The next meeting will be July 16 at the church with Mrs. Marvin Keyser in charge of the Presbyterian periodicals and Mrs. George Fischer the refreshments.
