Fire Razes Smokehouse
BONANZA—Fire of undetermined origin destroyed a frame smoke house on the ranch of Mr. and Mrs. G.P. Wu about 10 p.m. Sunday night. The building has been used as a storage room for saddles and other small farm articles which were saved before the roof caved in. The Bonanza volunteer fire department arrived in time to save a nearby chicken house and other buildings. No reason for the fire could be given since it started on the roof and the building was not wired for electricity. Jack Heppinall has been the head athletic trainer at Michigan State for 37 years. He is the only trainer the Spartans ever had.

Choosy Thief Shifts Cars

A thief Saturday night stole a pickup truck here in town, drove it out into the country and abandoned it for another one. The first vehicle stolen was a 1950 Dodge, taken from the Ashley Chevrolet lot. About midnight that truck was driven into the Roberts ranch, Route 2 Box 770, and left. Don Roberts reported to State Police the man then drove off in the ranch's 1950 GMC pickup. The missing vehicle is dark blue in color, bearing Oregon license 320-134.

NOTE
Did you ever taste mashed avocado on toast? It's particularly delicious to serve with scrambled eggs. Fixing the avocado is easy. Mash one of those summer avocados and season a bit with salt and a few sprinkles of lemon juice.

The latter incident was witnessed by a City Police officer, who flagged the convertible to go around the corner and park while he investigated. But the car didn't stop. The officer had noted the license number and put out a call to have the driver picked up. State Police located him a few minutes later on Oregon 66. Young's bail was set at \$400.
