

Police Nab Escapees

TACOMA Wn — Two mental patients from the Western State Hospital at nearby Stellacoom, both described as dangerous, were recaptured early Tuesday, 11 hours after they escaped from the institution.

Captured at gunpoint by Pierce County sheriff's officers were Clifton G. Randolph, 26, a confessed slayer, and Fred Stacey, 29, who was shot in the leg while resisting capture.

Hospital authorities said the two men were carrying garbage from a hospital ward Monday afternoon when they suddenly dropped the cans they were carrying and darted into nearby woods.

Sheriff's deputies and State Patrol officers immediately joined in searching for the two men, with the hunt intensifying along the Mt. Rainier highway, familiar ground to one of the escapees.

Late Monday night, the pair was spotted walking along Stellacoom Blvd., in the fashionable Lakewood district south of here.

Deputy Davey Ward first captured Randolph, who, although carrying a rock in a stocking to use as a blackjack, surrendered without a fight. He was taken into custody at 12:45 Tuesday morning.

A few minutes later, Stacey was recaptured, but only after being shot in the leg.

Randolph was committed to the hospital last September after being charged with first degree murder for the slaying of 76-year-old Harry H. Standard Sr., near Carbondale in March, 1951. Randolph confessed he shot Standard in an argument over money.

Stacey was committed to the hospital from Aberdeen. He was accused of kidnapping one of four persons who picked him up as he hitchhiked along U.S. Highway 99 near Olympia in November, 1951.

Both men were sent to Western State into standing trial.
