CADET DEAN E. ABBOTT, 2533 Reclamation Street, has completed flight training in the T-28 conventional type airplane at Perrin AFB, Texas. He is now at Laredo Air Force Base, Laredo, Texas, training to be a T-33 Jet pilot.

Rumored Donald O'Connor, Kelly Feud Said Untrue

HOLLYWOOD—(NEA)—Exclusive Yours. Since those rumors about a big feud between Donald O'Connor and Gene Kelly over Donald's scissored scenes in "Singin' in the Rain." Donald, who isn't walkin' in the California sun, told me:

"How can I be angry at a guy for giving me the best break of my career?"

Now it can be told: Hollywood studio heads killed the pre-nomination campaign razzle-dazzle for Eisenhower. Reason: Fear of incuring the displeasure of Gov. Earl Warren, who has been a good friend to the movie industry. But watch for the I-Like-ike ballyhoo, with the town's Hedys and Lanas as pom-pom girls.

U-I's sexy, blonde Mari Blanchard is due for a Marilyn Monroe build-up. But she's also working up as a threat to Shelley Winters—if Shelley gets difficult again. . . . Is MGM's "Lili" the true life story of Fran Allison and Burr Tilstrom of TV fame? . . . Hollywood lensers got the "No Pictures, Please" order from Hedy Lamarr

Two Escape From Pen

SALEM (P)—Two trustees, who were intoxicated by pruno, escaped from the state prison here Tuesday night.

But they were captured 45 minutes later after they had taken a pickup truck, driven it 60 miles an hour down the street, and crashed into a house.

Pruno is alcoholic concoction which the prisoners brew from almost anything that will ferment. Guards said Edward George Dehart, 30, and Frank McDonald, 38, had drunk quite a bit before they walked away from the unguarded tailor shop where they worked.

Neither the truck nor house was badly damaged, police said. But after the crash residents from surrounding houses held the escaping pair for police.

Fish Man Asks For Tariffs

WASHINGTON (P)—A spokesman for the salting West Coast fishing industry Wednesday predicted "relief" unless tariff relief is forthcoming.

Ray Webb, secretary-treasurer of the Pacific Coast Fish Producers institute, told Sen. Harry P. Cain (R-Wash.), that cheap imports of Japanese-caught tuna—selling for \$107 a ton—were depressing not only the American market for tuna but also for silver salmon.

River Group Sets Meeting

SPOKANE (P)—The first official meeting of the recently formed Columbia Interstate Compact Committee will be held in Spokane Wednesday with from 25 to 30 representatives from five northwest states expected.

Acting chairman Jack V. Rogers of Wenatchee announced Tuesday officials of the federal government are expected to attend the meeting with representatives from Washington, Oregon, Idaho, Montana and Wyoming.

Truce Talks On POW Issue

MUNSA, Korea, (P)—Deadlocked armistice negotiators debated the prisoner exchange issue in secret for only seven minutes Wednesday.

A Communist broadcast presented a gloomy picture of chances for early settlement.

Demo Woman Levels Charge

CHICAGO (P)—Elevator operators have more than their share of ups and downs at the jam-packed Conrad Hilton, the Democratic convention hotel.

A portly lady got one foot in an already-filled elevator Tuesday night, then had to withdraw at the insistence of the operator.

Now-Into-Fall

DIXIE CROSBY ILL. SANTA MONICA, Calif. (P)—Binx Crosby's wife, Dixie, is recovering from an abdominal operation. She underwent surgery Tuesday and is expected to be up and around next week.

There have been no further reconciliation talks between Mona Freeman and Pat Nerney since she abruptly withdrew her divorce suit a few days ago. But there's a chance they'll try it again. Working in "The Murder" at RKO, Mona told me:

Paula Stone and Mike Sloan are still snubbing movie offers for their Broadway hit. "Top Banana." They may film the show independently when it reaches the west coast next summer. Phil Silvers has been set for the national company.

Jim Backus says his wife Henry is so extravagant she goes to drive-in theaters in taxicabs.
