

PEACH MELBA

Helpful Hints

HOSTESS GIFT

Your weekend hostess will be delighted with a gift of fragrance because it means more than just a remembrance. It conveys, too, the feeling that you consider her a thoroughly feminine woman and what greater gift can a woman receive!

NOTE TO BRIDES

Don't wait until the last minute to decide what perfume you will wear on that important day of the wedding. Test various scents by wearing a different one from time to time to know what you like and what pleases your future husband.

FOR SWEET TRAVEL

Tuck sachet tablets in the pockets of your suitcase when you go on a trip. They serve many purposes! Sachets that have been closed for a long time often have a "close" odor that the sweet fragrance of sachet will eliminate. You'll find, too, that when you arrive at your destination, unpacking will have an added delight because a subtle scent clings to your clothes... and placing the sachets in bureau drawers will keep your undies and accessories sweet-smelling.

Designed For Cool Eating

Every smart homemaker knows that the best buys are the foods that are plentiful in season. During the summer months fresh fruits hold this well-deserved place of honor and should be often included in menus.

Here are some summer coolers to tickle tired palates:

PEACH MELBA
 1 1/2 cups milk
 1 package vanilla freezing mix
 4-6 peach halves
 Fresh raspberries

Beat freezing mix into milk with rotary beater until dissolved. Pour into freezing tray. When frozen firm, remove from tray to bowl.

Break up with fork. Beat with electric or hand beater until fluffy. Continue freezing. When ready to serve, place peach half in each dish. Top with a generous scoop of vanilla frozen dessert. Sprinkle with plump fresh raspberries.

ORANGE SHERBET
 1 cup milk
 1 cup water
 1 package orange sherbet mix

Measure milk and water into bowl. Add sherbet mix. Beat with rotary beater until dissolved, about 2 minutes. Pour mixture into refrigerator tray, and place in freezing compartment. When mixture is firmly frozen, remove from tray to bowl. Break up into small lumps with fork or potato masher. Beat with electric or hand beater until free from lumps but still a thick mush. Return to refrigerator tray and place in freezing compartment until fairly firm.

FOR TIRED FEET
 In the summer feet are inclined to swell and become uncomfortable. Here's a sure help to happier feet. After a thorough scrubbing, dip them in cold water into which you have poured toilet water or cologne. Dry them carefully, giving special attention to the skin between the toes. Then massage with cologne, starting at the toes and working up past the ankle (always working UP). Finishing with a dusting of soothing and fragrant talcum. Surface skin temperature will be lowered, the swelling will be lessened, and the fragrance will give you a sense of loveliness. You'll feel like dancing the light fantastic!

AN EASY WAY TO HAVE A PIANO
 You can rent a lovely new upright piano from the Louis H. Mann Piano Company, 378 N. 7th, at a low monthly rate. After a reasonable time you can, if you wish, change from rent to purchase agreement. The rent already paid is all credited to your purchase account and no other down payment is necessary. The monthly payments can be little higher than rent. Or if you prefer, you can continue to rent.
