NEW YORK — Steel peace talks in the White House encouraged a buying rush that sent the stock market up sharply Thursday in its fourth straight advance.

The advance also represented the second straight new 1952 high for the Associated Press average of 60 stocks.

Gains ranged from fractions to between 1 and 2 points, with rails, steels and motors the most favored of the major groups.

GRAINS

CHICAGO — All grains moved upward on the board of trade Thursday.

The advance was led by soybeans, ahead as much as 5 cents at one time.

Buying in beans was based on the strong manner in which the July contract closed out Wednesday, a good demand for cash beans at ceiling prices and the prospect of a short supply between now and the time the new crop is harvested.

Stevenson Boom

(Continued from Page One.)

a strategy conference reportedly aimed at forcing a decision on whether they will be allowed to cast their 64 votes.

Gov. John S. Battle and Sen. Harry F. Byrd of Virginia met with Govs James F. Byrnes of South Carolina and Robert Kennon of Louisiana in a private session. They were understood to be working on the draft of a letter to Convention Chairman Sam Rayburn. The letter would seek clarification of Stevenson's status.

If the votes of these three states should be ruled out, the total of possible delegate votes on the presidential nominee would be 1,168 with 384—or 333 and a fraction—needed to nominate.

ORGANIZED

The convention was organized originally on the basis of 1,230 delegate votes, meaning a majority would be 615, plus a fraction.

Convention managers planned to hold off on the actual balloting until a night session.

A day meeting was set aside for the preliminaries of nominating speeches, demonstrations and the hoopla that sets the stage.

As the hour approached, Stevenson still wasn't saying whether he would accept. But nobody doubted that he would.

And there was still no public word from President Truman as delegates had hoped for.

Kansas delegates, who have been on the fence, plumped to Stevenson with their 16 convention votes at a pre-session caucus.

Californians, backing Kefauver, heard a plea from Rep. Clinton McKinnon, their chairman, to stand firm.

BAND WAGON

McKinnon told them: "The bandwagon is rolling in the direction of Stevenson. But if we can hold the line if we can stop Stevenson on the second ballot, the votes for favorite son candidates and others can be diverted to Kefauver."

The Kansas votes raised to 182 the total of known prospective first ballot votes for Stevenson, as disclosed by an AP poll of delegates.

Kefauver has 283, Russell 195 and Harriman 107.

Texas decided in a caucus to put all of its 52 votes behind Russell. Only 27 of them previously had been committed to him, so the move shoves the Russell count at this point up to 195.

The Stevenson boom got another boost when Gov. Paul A. Dever of Massachusetts announced he would vote for the Illinois governor in the second ballot.

He said he had made no recommendation to other delegates as to how they should vote.

The 36 Massachusetts votes were to go to Dever on the first ballot as a favorite son.

Man Fined On Drunk Charge

Clarence Emil Podawiltz, 54, of 5650 Miller, was fined \$100 and sentenced to 30 days in jail this morning after pleading guilty in Municipal Court to a charge of drunk driving.

A borrowed car, 1951 Chevrolet sedan, driven by Podawiltz, smashed into a power pole on E. Main at Mills School yesterday afternoon, snapping the pole off at the base.

Podawiltz was taken to Klamath Valley Hospital for treatment of a head injury, then released to the City Police.

Fred Harrison Atkinson, 31, of Waverly, Mo., a passenger in the car, was arrested for being drunk and fined \$15 in court today.

Another passenger, Harold Adcock, Blabbe Hotel, was slightly hurt.

Thief Gets \$300 Camera

An expensive Kine Exacta camera and leather carrying case was stolen from an automobile parked on Main Street late last night, City Police report.

The car — and camera — were owned by Mr. and Mrs. John MacConnell of Portland, tourists who had stopped to eat at Wong's Cafe. MacConnell told police the right window wing of his Mercury station wagon was pried open and the \$300 camera and case taken.

Another car prowler of similar nature was reported by Lieut. Claude M. Bentz and Lieut. John W. Robbins, both of Camp Hancock, Wash. A window wing of their 1948 Oldsmobile was forced open while the car was parked at 8th and Main earlier in the evening. Apparently nothing was taken.

Rail Strike Said Cancelled

CHICAGO — A threatened strike against the Pullman Company, which had been called for July 29 and would have affected the country's major railroads, was cancelled Thursday.

The Pullman Company and the Order of Railway Conductors, who had called the strike, announced a settlement of their wage dispute and cancellation of the walkout.

The announcement said the conductors had been granted a 12 1/2 cent hourly basic wage increase retroactive to Jan. 1, 1951, plus "the standard railroad cost of living escalator clause and a wage and rules moratorium to Oct. 1, 1953."
