**Marilyn Monroe's Pals Say DiMaggio Out**  
 By **ERSKINE JOHNSON**  
**HOLLYWOOD (NEA)** — Exclusively Yours: Marilyn Monroe's pals are whispering that Joe DiMaggio has struck out as her heart interest. But those nude calendars of Marilyn are still battling 1,000 as a collector's item with the current price \$1.  
 The calendar, by the way, has been eliminated—now it's just Marilyn. Everybody knows what day it is.  
 "The blonde star's latest film, 'Niagara,' debuts soon and Director Henry Hathaway is taking bows for some terrific shots at Niagara Falls. But he's walling: 'With Marilyn in the picture who's going to look at the falls?'"  
 "The late Fanny Brice's crack about Esther Williams—'Wet she's a star—dry she isn't'—pops up in Esther's latest, 'Million Dollar Mermaid.' Except now it's said about Esther's character of Annette Kellerman."  
 Corinne Calvet insists she'll go through with her \$1 million slasher suit against Zsa Zsa Gabor when she completes her role in "Powder River" at Fox. The suit was set for filing, then Corinne called her attorney and asked him to delay the action because I don't want to be emotionally upset when I'm working."  
 Luscious Corinne and hubby John Bromfield are celebrating four years of marriage and she says: "Even I'm surprised about finding a man who's kept me happy and under control for four years."  
 Terry Moore's up for the lead opposite Fredric March in "Man on the Tight Rope," which Ella Kazan will film in Europe. Pals expect an engagement flash from Gloria Grahame and Cy Howard now that she's filed for divorce from Director Nick Ray.

**Kimball Wants More Carriers**  
 LOS ANGELES (AP) — Secretary of the Navy Kimball said Monday that the Navy should seek construction three or four supercarrier carriers like the Forrestal, which is now in the ways.  
 Kimball was addressing the National Encampment of the Veterans of Foreign Wars.  
 "By a very narrow margin, the Congress granted its authority and we are to construct a second Forrestal class carrier just a month ago," Kimball said.  
 He continued: "Two of these ships are not enough, we are going to ask Congress for more of them. 'We hope they see it our way. I think we ought to have at least three and probably four of these carriers under construction at this very moment.'"

**California Lifts Tree Import Ban**  
 SALEM (AP) — California has lifted restrictions on the importation of Oregon trees and other nursery stock, the Oregon Department of Agriculture announced Saturday.  
 This eliminated the need for a special certificate on peach, plum, apricot and related trees to be shipped to California. The regulation had been imposed because California feared an infestation of peach root borer.  
 You won't worry so much if your home is insured with Hans Nordland, 627 Pine St.
