Stocks

NEW YORK — Railroads led a recovery movement Wednesday the stock market that erased most of the previous decline and left the list highly mixed.

The list was up or down by fractions for the most part. Outstanding exceptions on the upside were some of the oils that were under severe pressure Tuesday. They showed gains running to around 2 points.

Business amounted to an estimated million shares.

CHICAGO — Potatoes: arrivals \$5.00 on track 147; total U.S. shipments \$19; supplies rather light; demand good; market about steady. California Long Whites \$8.70-75; Idaho-Oregon Russets \$6.10; Washington Russets \$6.80; Wisconsin Pontiacs \$6.75.

GRAINS

CHICAGO — A sharp upturn in soybeans, sending all contracts to new seasonal highs, lent strength to the rest of the grain market on the board of trade Wednesday.

The demand for soybeans helped firm major cereals, which made up early losses and eventually went ahead of the previous close.

Buying in soybeans was based on light country offerings of cash beans, a continued strong tone in soybean meal mixtures, and prospects of a smaller bean crop this year than last.

Wheat closed 1-3/4 higher, September \$2.24 1/4, corn unchanged to 1/2 higher, September \$1.78 1/2-3/4, oats 3/4-1/2 higher, September \$3-53 1/2, rye 1/2 to 2 cents higher, September \$2.12-2.13 1/4, soybeans 1 1/2-6 3/4 higher, September \$3.23 1/4-3.23, and lard 5 cents lower to 5 cents a hundred pounds higher, September \$11.35.

LIVESTOCK

CHICAGO — Hog prices declined further Wednesday as mixed pressures downward continued to rule the market. Values were steady to 50 cents lower than averages set in the previous session. Sows had best demand.

Cattle were steady to 50 cents higher and sheep strong to 50 cents higher.

A depressing factor in hog buying was a well-timed move in plants of one large packing company.

Butcher weight hogs sold from \$20.50 to \$22.25 and sows from \$16.25 to \$20.50. A few of the latter class went as high as \$21.00.

Choice and prime steers and yearlings found fairly urgent demand and brought \$31.75 to \$35.00 in the main. Good to low-choice offerings were at \$28.50 to \$31.50.

Good to prime heifers merited \$28.00 to \$34.50 while cows topped at \$22.00, bulls at \$22.50 and vealers at \$23.00.
